

ALL GLENDALE CAN PLAY SANTA CLAUS!

Rain Dilutes Hallowe'en Here!

YOUNG IDEAS SAFE AND SANITARY

Roses Swiped, Realty Signs
Taken Down and Other
Spooky Occurrences

By H. THOMPSON RICH

Despite epic efforts of the local Kiwanians to give Glendale kiddies a safe, sane and sanitary Halloween, nature came unexpectedly and soporifically to their rescue just between dusk and dark last night, when witches were beginning to furbish up their broomsticks and hobgoblins started poking their heads out from behind shadows.

During the combined paternal and elemental wrath, the Young Idea fretted through a fitful slumber, shed hot tears, declined dessert, donned furtive goggles and sought out the back doors of myriad bungalows.

Thereafter, for the next two hours, strange and untoward happenings befell. Passers-by, coming upon groups huddled behind hedges, fearfully crossed to the other side of the street, to be mocked by giggles.

Red Lights in Streets

Red lanterns squarely in the middle of streets caused motorists hurrying home through the clammy fog to stop and, when they found nothing, to mutter feebly. And mysteriousappings at windows and doors—whether of spooks or hoodlums—continued until a late hour.

Hoses were swiped, real estate signs were taken down and put up again in the most startling places, and all that was movable was moved. It is even reported that a house was moved to a new location and a "for sale" sign put upon it, despite the fact that the frontage upon which it stood was not for sale.

Other Signs of Times

On one of Glendale's most exclusive automobile agencies was hanging a card bearing "Automobile for Sale, \$10 Down, \$15 a Month. It Almost Runs." The manager of a well-known market was greeted by this sign, "Yes, We Have No Bananas."

For a prominent photographer (Continued on Page 7)

Police Report All's Well After Night of Pranks

The young people of the city were very orderly in their Halloween pranks, according to Chief of Police Col. J. D. Fraser.

Of course, there were the usual reports of signs being taken down, wheels taken from wagons and clotheslines missing, but no mischief of a very extensive or destructive nature was reported to the police.

It was a busy night for the police officers on duty, carrying back articles that had been placed in the road to obstruct traffic, and keeping an eye on the youthful element. Several youngsters who were caught in the act, were taken to police headquarters, but were later released.

HALLOWKIWANIS STUNTS TONIGHT

Dame Nature Smears Original Plans With Mud, But Sol Smiles Today

"Are we downhearted?" "NO!" thunders a chorus of 1500 children who would have marched last night in the big Halloween parade but who will march tonight instead.

Nature having chosen that date for her night out with the fiends, possible with the Orpheus concert tonight at the Tuesday Afternoon clubhouse, under the auspices of Glendale commandery No. 53, Knights Templar, Mr. Bode states.

Line of march and athletic events will be just as announced in The Evening News of October 31. The parade starts promptly at 7:15 o'clock and will be followed by a big bonfire on the Glendale Union High school grounds, with games and sports, featured by two cage-ball contests.

Doughnuts, apples and "Coke," the new S. W. Brown company drink, will be supplied free in large quantities. The combined value of the prizes offered is several hundred dollars.

Men on Committee

The parade has been sponsored by the Glendale Kiwanis club and is in charge of the following committee: Mayor Spencer Robinson, William Bode, A. L. Baird, Fred Deal and David Gregg.

Each of the seventy-nine Kiwanians will act as a marshal, stationed along the moving column. Grand Marshal Bode will ride at the head of the parade in a new Buick six touring car donated for the occasion by William Tanner, of Tanner & Hall, local distributors for this make of machine.

The celebration at the athletic field, following the parade, will conclude with a display of fireworks.

Notice on Delinquent Assessment by City

A public notice on delinquent assessment and appears on page 4 of The Glendale Evening News today, as part of the official advertising of the City of Glendale, this paper, as formally announced yesterday, being awarded the city printing because its bid was the lowest.

Property owners and residents generally in the city of Glendale should read the official advertising published by the city, and, too, should read the official minutes of the City Council. Both advertising and minutes appear exclusively in The Glendale Evening News—and in no other publication.

Matters of vital interest to taxpayers and residents generally come up from time to time in the official advertising and official minutes, so it is necessary to follow the proceedings carefully. All city printing appears together in The Glendale Evening News—it is not scattered about in the paper.

MRS. STOKES TESTIFIES IN SUIT

Charge of Millionaire Husband Denied by Wife on Witness Stand

By JACK CARBERRY

NEW YORK, Nov. 1.—Helen Elwood Stokes, pretty defendant in the divorce suit brought by William Earl Dodge Stokes, 73-year-old millionaire sportsman, took the witness stand today in her own defense. She denied she had ever been intimate with Edgar T. Wallace, the "man in the case."

Mrs. Stokes had a diary which holds the account, her counsel said, of every day of her married life.

A few feet away sat Stokes, taking notes of his wife testified. "I will be 37 years old on the eighteenth of this month," Mrs. Stokes said, after denying generally her relations with Wallace had ever been improper.

Cross-Examine Mother

Mrs. Emma Elwood Miller took the stand for a grilling cross-examination today in her fight to prevent her daughter, Helen Elwood Stokes, from the charges of misconduct made by William Earl Dodge Stokes.

As the 60-year-old mother testified, there were reports that her daughter would be used by Samuel Untermyer, her daughter's counsel, to demand a grand jury investigation of the aged millionaire's witnesses, who have testified they saw Mrs. Stokes and Edgar T. Wallace, co-respondent in the divorce suit, together on various occasions in New York and Bethel, Conn.

Max D. Steuer, Stokes' attorney, opened his cross-examination in an effort to prove Mrs. Stokes is older than 35. Mrs. Miller testified her first husband died in 1899 at Sycamore, Ill. Steuer read from her testimony of the previous trial when she placed the date as 1895.

Ex-Senator Kellogg to Succeed Harvey

WASHINGTON, Nov. 1.—Former Senator Frank B. Kellogg of Minnesota will succeed Colonel George Harvey as the United States ambassador to Great Britain, it was announced officially at the state department today.

Announcement of Kellogg's appointment followed receipt from Great Britain of assurances that the former senator will be acceptable to the British government.

Kellogg is not expected to go to London before January 1, when Colonel Harvey's resignation becomes effective. His appointment cannot be confirmed for a month yet, as the senate does not meet until December 3.

MASONS PAY WASHINGTON TRIBUTE

Corner Stone of National Memorial Temple Laid at Shooters Hill

By GEORGE E. DURNO

ALEXANDRIA, Va., Nov. 1.—Twenty thousand Free Masons, gathered from every grand lodge in the United States, assembled here today to lay the corner stone of a great national Masonic temple to the memory of George Washington, America's first president and foremost Mason of all time.

President Coolidge, members of his cabinet, high government officials and several score distinguished guests were in attendance to witness this outstanding event in the history of American free masonry—the materialization of the dream of a century.

In addition, in tribute to Washington, as the great continental leader, the army, the navy and marine corps were represented.

Masonic Services

Strictly Masonic services were held throughout the ceremony, all members wearing the lambskin aprons and white gloves. Right Worshipful Master Charles Callahan, deputy grand master of Virginia, presided in the absence of James H. Price, supreme head of masonry in Virginia.

The same trowel used by Washington in laying the cornerstone of the United States capitol spread the cement over the initial stone in the newest monument to the first American.

President Coolidge, himself not affiliated with the Masonic fraternity, took no active part in the ceremony, attending merely in his official capacity as chief executive in honor of his most distinguished predecessor.

As the services were under way, the giant cruiser Richmond, boomed a tribute from the skies—particularly fitting examples of the advance of the great nation founded by Washington.

The site of the temple is known as Shooters Hill. It was once the property of Washington and, but for this objection, it would have been the site of the United States capitol.

The temple will cost approximately \$4,000,000, including extensive landscape gardening, all raised by popular subscription among the Free Masons.

DEPUTIES FACE QUIZ

LOS ANGELES, Nov. 1.—Fifteen deputy sheriffs were summoned before the county grand jury this afternoon when the jury resumed its investigation of charges of alleged graft by deputies in the transportation of prisoners from Los Angeles to San Quentin and Folsom penitentiaries and in the "padding" of expense accounts.

LATEST NEWS

POINCARÉ SPECIFIC ABOUT REPARATIONS MEET PARIS, Nov. 1.—Premier Poincaré has requested that the allied invitation to the United States to join the international committee of reparations experts shall specifically declare that the committee be limited to discussion of Germany's capacity for payment for the purpose of a clear understanding with Washington before the meetings begin, it was learned from allied diplomatic circles today.

EIGHTY REPORTED HURT IN WRECK ON B. & O. CLARKSBURG, W. Va., Nov. 1.—Reports received here today at the B. & O. office said eighty passengers were hurt in a wreck of train No. 62 near Orlando. The train was bound from Clarksburg to Weston. The reports said two rear coaches went over an embankment as a result of a loose rail.

KLAN TRIES TO SQUELCH RECEIVER'S SUIT ATLANTA, Ga., Nov. 1.—Efforts of the defense attorneys to throw the David M. Rittenhouse Klan receiver's case out of court today failed when Judge John D. Humphries overruled a demurrer presented by them. The ground was that a copy of the complaint was not served officially.

BLUE NOSE REMAINS FISHING FLEET CHAMPION HALIFAX, N. S., Nov. 1.—The schooner Blue Nose of Lunenburg, Nova Scotia, remains champion of the North Atlantic fishing fleet. Blue Nose today defeated the schooner Columbia, of Gloucester, Mass., in the second race for the international fishermen's trophy. Blue Nose won the first race on Monday. She retains the trophy won at Gloucester last year.

Massachusetts Hospital One Exhibit In Veterans' Bureau Graft Probe

The hospital at Northampton, Mass., for shell shocked victims. It is 135 miles from Boston and a ready supply of specialists needed in the work of rehabilitation. Inset is of Col. Charles R. Forbes.

Evidence to Show Waste Of Millions to Be Introduced; Sensational Disclosures Loom, Says Senator Reed

WASHINGTON, Nov. 1.—Although the scandal in the veterans' bureau has already reached proportions not paralleled in the national capital in many years, Senator Reed, chairman of the senate committee conducting the investigation, asserts that disclosures of a still more sensational nature will be made as the investigation proceeds.

More evidence will be introduced to show that grafters in high places made millions of dollars during the awarding of contracts for hospitals for sick and wounded veterans. One of the hospitals involved in the investigation is situated at Northampton, Mass. On this hospital alone \$3,500,000 is being expended.

The American Legion objected to the building of a hospital on this site, but the Legion's objections went unheeded.

Prosecution to Follow

The present investigation will continue through several weeks. As incriminating evidence is secured by the committee it will be turned over to the department of justice for use in criminal prosecution.

Col. Charles R. Forbes, former head of the bureau, denies the many charges that have been leveled at him.

The annual appropriations for the veterans' bureau approximate \$500,000,000, or about one-sixth of all the federal revenues. In the handling of such vast sums opportunities have been numerous.

All "unusual haste" in the purchase of a hospital site at Excelsior Springs, Mo., was due to a desire to "hospitalize" crippled soldiers who were walking the streets.

Ewing Laporte, former assistant secretary of the treasury, testified today before the senate committee, investigating the veterans' bureau.

Laporte emphatically denied previous testimony that he had received the price of the property owned by E. L. Morse, from \$77,000 to \$90,000 on the last day of the Wilson administration. He also denied that his acceptance of the Morse property was due to either friendly or political motives, declaring that the project was projected solely on the recommendation of the public health service.

Butte Theatre Strike Fails to Raise Wages

BUTTE, Mont., Nov. 1.—Two hundred and fifty employees of Butte's moving picture theatres, who have been on strike since the last day of September, will return to their positions Saturday, the result of an agreement reached late Wednesday night. The strikers, all musicians, had walked out, demanding an increase of \$15 weekly. They will return at the old scale of \$42.50 per week. All of the theatres have been closed since the inauguration of the strike.

E. O. McCORMICK DIES

SAN FRANCISCO, Nov. 1.—E. O. McCormick, vice president of the Southern Pacific Railroad Co. and one of the most widely known railroad men in the United States, died at his home here today. He was 65 years old.

High School Debating Team Is Selected

The students to represent the local school in the Glendale-San Diego debate which takes place November 23 were selected yesterday. Paul Cunningham and Isabel Tousey will speak for the affirmative, while Horace Anderson and Bonnie Jean Lockwood will uphold the negative side. The alternate is Charlotte Busby.

The affirmative speakers will debate at home, while the team upholding the negative goes to San Diego.

PUPILS PLAN TOYMAKING AT HIGH SCHOOL

Aid of Residents in Getting
Material Asked by
Willing Workers

By AL DIX

Of The Evening News Staff

Folks, here's your chance to make some boys or girls happy this Christmas!

Here's the opportunity to play Santa Claus and gladden a heart that otherwise might be weighted down with sorrow on the day that above all others is given over in this land to making other people happy.

The opportunity is right here in Glendale, and requires practically no effort on your part.

Here's the proposition:

Students to Do Work

The students of the Mechanical and Fine Arts departments of the Glendale Union high school will devote a part of their time between now and Christmas in making toys and useful articles to be distributed during the holiday season. The distribution will be under the direction of the Boys' and Girls' League of the high school.

These organizations are making an appeal to the residents of this city who have discarded toys that could be put in good order by painting and repairing to send them into the Mechanical Art Department. The students of this department will gladly do such painting and repairing as is necessary to place them in first class shape. If you haven't any old toys, donations of material such as boxes made of good lumber and (Continued on Page 3)

SALE OF BENEFIT SEATS IS RAPID

More Than Half Auditorium
Taken by Patrons of
Nov. 6 Performance

More than half of the 763 seats in the auditorium of the Tuesday Afternoon club have been sold for the entertainment to be presented on the night of November 6 for the benefit of the families of Clarence Edwards and Mrs. Joseph W. McGahan, who lost their lives fighting fire.

Charles "Buck" Jones, motion picture star, has been added to the long list of stage and movie stars who will appear on the program.

It is stated positively that not one more ticket than 763 will be sold, so those who have not secured their tickets should make their purchase immediately.

Stars Give Services

Also, it is positively stated that no one will be paid for their services—the entire ticket sale will be devoted to the families of the fire's toll.

As told elsewhere in this issue, the Fox-Woodsum Lumber company has sent a check for \$100 to be added to the fund being raised through The Glendale Evening News for bereaved families.

Following is a list of those who have purchased one or more tickets to the benefit:

Mr. and Mrs. J. C. McQuiston
Mrs. J. R. Maxwell
Mr. and Mrs. F. H. Everts
Mrs. J. E. Rockhold

U. S. WILL IGNORE RHINE REPUBLIC

Mushroom Governments to
Be Denied Recognition
by Administration

WASHINGTON, Nov. 1.—The United States will not recognize the Rhineland republic, or any other mushroom separatist government set up in German territory, it was learned authoritatively here today.

In this respect, American policy is generally similar to that of the British government. The British have already served formal notice upon the French that London will not recognize different segments of a dismembered Germany.

This government would look with extreme disfavor upon dismemberment of Germany, whether such action came as a result of Germany's internecine strife, or as a result of the incessant efforts the French have made in the occupied territory ever since the armistice.

The state and war department records are filled with reports of the French campaign for a Rhineland republic. General Pershing, General Hunter Liggett and Major-General Henry T. Allen, as commanders in chief at various times of the American occupational forces, were forced to take issue with the French for their activities in the American zone.

Stresemann Falls Ill Under Foes' Attacks

BERLIN, Nov. 1.—Chancellor Gustav Stresemann, whose master statesmanship so far has piloted Germany through the crisis of secession, strikes and rioting, has fallen ill under the strain, it was learned today. It was said, however, that his condition is not serious.

The situation has further been complicated by the demands of socialist leaders. Demanding the resignation of President Ebert and socialist members of the cabinet, they modified the latter demand, voting for retention of the socialist ministers on condition the military dictatorship is converted into a civilian dictatorship.

The socialists are urging the withdrawal of the sixty thousand Reichswehr troops from Saxony. The nationalist government at Bavaria is still defending the socialists. General von Lossow is retained in command of the federal troops in Bavaria.

It is reported that a railroad blockade may be established around Bavaria in order to protect the neighboring states and to aid in bringing the Munich government to meet Berlin's demands.

at Glendale, Calif., under act
of Congress of March 3, 1879. Pub-
lished daily except Sunday.

Personal Mention

Mr. and Mrs. Robert C. Plume
of 322 Burchett street have re-
turned from a pleasant week's out-
ing at La Jolla and vicinity.

Mr. and Mrs. I. L. Bullock of
4340 North Perilla avenue, were
guests of friends at a Halloween
celebration given recently at Sun-
land.

J. A. Martin a former resident
of Glendale has returned from
Wisconsin where he has been
making his home for the past sev-
eral months. His many friends
will be glad to learn of his re-
turn.

Ralph Turner of West Lexing-
ton drive is rapidly convalescing
from a recent attack of la grippe
which has confined him to his bed
for the past two weeks. He ex-
pects to be able to return to his
employment in Los Angeles with-
in the next few days.

Mr. and Mrs. S. W. Leggett and
two children recently arrived here
from Rochester, Minn., to make
their permanent home. At the
present time they are located at
1122 East Wilson avenue. Mr.
Leggett is the son of Mr. and Mrs.
J. C. Leggett of 1120 East Wilson
avenue.

Mrs. Ellen Worcester and son
William of Hollywood, arrived
here Tuesday to become residents
of "the fastest growing city in
America". Their new home is
the Oakridge subdivision has just
been completed. Mrs. Worcester
is the cousin of Dr. J. D. Cam-
erer of 319 West Garfield avenue.

Miss Jane E. Harrison of De-
troit, Mich., left recently for home
after a most enjoyable visit with
her brother, C. M. Harrison and
family, of 606 North Isabel street.
During her stay Miss Harrison
visited many points of interest in
southern California, enjoying
many short trips by motor, and
also made a short stay in Red-
lands. Her parents, who accom-
panied her west, returned home
after a visit of two weeks.

Mr. and Mrs. C. S. Closson and
son, Adelbert, of Aberdeen, S. D.,
are guests of Mr. Closson's sister,
Mrs. L. F. Drake and family, of
1112 Melrose avenue. They made
the trip west by motor, in com-
pany with another party, Messrs.
Arthur Simpson and Robert Bol-
chell of Watertown, S. D. The
Closson family came to locate per-
manently and the two young men
are also planning to enter business
here. Mrs. Drake and her brother
are needing for the first time in
eleven years.

Social Events

Entertains Club

One of the jolliest of Halloween
parties was the affair given last
night at the home of Miss Eva
Brehme, 806 South Maryland ave-
nue, by the members of the Rodair
club when they entertained their
husbands and escorts with a fancy
dress dance and masquerade.

The Brehme residence had been
transformed into "Spookville,"
with smiling pumpkin faces, shad-
owy ghosts, weird witches and
mystic symbols. As the guests
arrived they were obliged to enter
the Brehme home through the win-
dow, where they received an elec-
trical shock. Three ghosts acted
as guides, leading the guests
through dark rooms, where they
received weird and ghostly sen-
sations before reaching the living
room, where dancing was enjoyed.

The soft orange-shaded lights
and festoons of black and orange
crepe paper were effectively used
in the decorations, and the quaint
and charming costumes of the
dancers added a colorful touch to
the affair.

A buffet supper was enjoyed at
midnight, games, contests and
dancing being in order both be-
fore and after. Music for the
dancing was furnished by Miss
Eva Brehme, piano and Mr.
Cross on the violin.

There were about twenty mem-
bers and friends present.

Halloween Party

Mrs. Julia Hoopes of 1300 South
Central avenue was the hostess
Tuesday night of a Halloween
dancing party, entertaining a
number of friends from both
Glendale and out of town.

Her home was decorated in the
Halloween colors of yellow and
black, the lights being provided
with fancy shades decorated with
black cats, witches and festoons
of black and yellow were carried
from the chandelier to the cor-
ners of the room. Marigold and
canebrake were the flowers used,
and orange ices and orange punch
were served.

The present were Mesdames
Gertrude Lewis, George Hibben,
Miss J. Noel, Fairy Rheinhardt,
Nancy T. Rheinhardt, McArone,
Carla Tomaso; Messrs. Vern Bo-
get, C. L. Lyons, S. L. McGriff,
Monte Poley, G. West, Harry
Conners, George Hibben and Dean
Hoopes of Glendale.

Mr. and Mrs. Joseph T. Hagin,
Chicago; Mesdames Mabel Dou-
glas, R. L. Young and Georgia
Bennett; Messrs. West, White,
Hickman, of Los Angeles; Mrs.
Blanche Hoopes and Thurston
McJory, of Whittier, and the
hostess, Mrs. Julia Hoopes.

Reading Circle

Mrs. G. W. Campbell gave a re-
view of "Quit Looking for Help,"
by Dr. Frank Crane, at the meet-
ing yesterday of the Mutual Ben-
efit Reading Circle at the Public
Library.

During the meeting, directed by
the chairman, Mrs. H. V. Henry,
other events were: Reading of
"Reliance," by Emma Gary Wal-
lace, by Mrs. C. H. Crawford; an-
swering the roll call with quota-
tions; a cake sale for adding to
the treasury; reading of "Play and
Education," by Lee, by Mrs.
Henry.

Announcement was made that
Wednesday, November 14, will be
"Old Members' Day."

Mrs. Brunner and Mrs. Le-
lean are members of the tea
committee.

For Little Girls

Mary Louise Moore, daughter of
Attorney and Mrs. George H.
Moore of 221 West Elk street, en-
tertained a group of little friends
at the home of her parents, last
night with a jolly costume party
in observance of Halloween.

Bouquets of yellow marigolds
were used effectively in decoration
and quaint and charming cos-
tumes of the little guests added a
colorful effect to the scene which
was altogether a merry one. Black
cats, witches, pumpkin faces,
ghosts and other weird Halloween
symbols were much in evidence.

Those present included, Clau-
dine and Madeline Noehle, Alice
and Jane Leighton, Beatrice and
Eleanor Guenther, Elizabeth
McElmory and the hostess, Mary
Louise Moore.

Madrigal Board

Mrs. Paul Hoffman of 327
North Maryland avenue, president
of the Madrigal club, entertained
members of the board of directors
yesterday afternoon.

Plans were discussed for the
club concert in January. There
were forty-three applications for
active, patron and associate mem-
bers read. It was announced that
next Monday will be the last date
for the receiving of active mem-
bers until after the January con-
cert.

Late in the afternoon Mrs.
Hoffman served a Halloween
lunch.

Hosts at Dance

The ballroom at the Sunset
Canyon Country club was the
scene of a delightful affair last
night when Mr. and Mrs. H. C.
Rawlings of Los Angeles enter-
tained 126 guests with a formal
Halloween dance.

Halloween colors were artist-
ically carried out in the decora-
tions and also in the favors pre-
sented to the dancers.

Music for the dancing was fur-
nished by a four-piece orchestra.

Annual Affair

The S. O. S. class of the Cen-
tral Christian Sunday school held
its annual Halloween party Tues-
day night in the social quarters
of the church, corner of Colorado
boulevard and Louise street. Mrs.
Maud Smith, teacher of the class,
was in charge of affairs, which in-
cluded the initiating of eight
girls into the organization.

Stag Dinner Host

Neil Melver of 1506 East Colo-
rado entertained several of his
friends with a stag dinner last
night at his home. Following
dinner a theatre party was en-
joyed at the Gateway Theatre.

The guests were Lee Payne, Liv-
ingston Thom, Cecil Wilson, Ted
Hals, Newton McGillis, and the
host.

Jewish Sisters

Mrs. W. J. Kramer is to be
hostess tomorrow to the Jewish
Sisterhood, entertaining at the
Egyptian Village. The affair will
begin at 2 o'clock with a specially
arranged program.

Party at Church

Members and friends of the Ep-
worth League of the Broadway
Methodist church enjoyed a social
and party last night in the Sun-
day school room of the church, cor-
ner of Broadway and the Cedar
streets. The affair was staged in
true Halloween form, practically
all of those present appearing in
masks and appropriate costumes.

The hall was artistically dec-
orated in orange and black, with
flowers and ribbons, with a ghost here
and a corn stalk there, in keeping
with the occasion. The decorating
was in charge of Miss Elizabeth
Child, secretary of the league.

Old-fashioned Halloween games,
fortune telling, guessing contests
and several novel stunts kept the
merrymakers busy throughout the
evening. E. W. Rye, who is presi-
dent of the Epworth League, was
in charge of seeing that everyone
had a good time.

Mrs. George Newman, a mem-
ber of the league, took off her
mask in the middle of the even-
ing and announced that she had
entered The Glendale Evening
News subscription contest, her
purpose in doing so being that of
obtaining a piano for the junior
and intermediate departments of
the Sunday school. Following her
announcement Mrs. Newman ob-
tained a number of subscriptions.

Dance to Radio

The home of Mr. and Mrs. Nor-
man Denry of 501 West Salem
street was the scene of one of
Glendale's many Halloween par-
ties last night when Mrs. Denry
and Eddie Hibbard enter-
tained a number of friends at a
masquerade ball. Black and or-
ange were the predominating col-
ors used in decorating.

A number of games and con-
tests were staged, after which the
evening was spent dancing. The
novel part of the entertainment
was the fact that the only music
used for dancing was that heard
over the radio.

Those present were Mr. and
Mrs. William Elmendorf, Mr.
and Mrs. Eustace Rowley, Mr.
and Mrs. Albert Wheeler, Mr.
and Mrs. L. Watson, Mr. and
Mrs. Norman Denry; Misses
Thelma Secrist and Aileen Aires,
and Pierson Taylor and A. H.
Clubb.

Birthday Surprise

Mrs. J. S. Helfrich of 515 East
Lexington drive entertained Tues-
day night for her husband, cele-
brating his birthday anniversary.
The affair was a complete sur-
prise to Mr. Helfrich who had no
intimation of the plans for his
pleasure until the guests arrived
in a body. The evening was
spent with clever and amusing
games.

Mrs. Earl McCormack was
awarded the prize for creating
the most artistic black cat on
white cotton. Mrs. O. A. Daniel-
son, Mrs. John Swarinton and
Mrs. McCormack tied for the prize
in memory contest, which was
finally awarded to Mrs. Daniel-
son; Guy Allison won first place
in pinning the tail on the donkey.

A beautiful birthday cake was
served with orange ice. Guests
were Rev. and Mrs. W. E. Ed-
monds, Rev. and Mrs. Louis Tin-
ning, Mr. and Mrs. L. A. Hart,
Mr. and Mrs. J. A. Newton, Mr.
and Mrs. J. M. Eyrick, Mr. and
Mrs. Guy Allison, Mr. and Mrs.
John Swarinton, Mr. and Mrs.
D. B. Pingree, Mr. and Mrs. O. A.
Davidson, Mr. and Mrs. Earl
McCormack.

Tennis Club Party

The Foothill Tennis club enter-
tained Tuesday night with a jolly
Halloween party in the social
rooms of the Casa Verdugo church.
All the guests were in costume and
decorated in black and orange. Var-
ious games suggestive of Hallow-
een were diversions of the eve-
ning. Refreshments of doughnuts,
apples and punch were served.

Arrangements were made by a
committee composed of Lucile
Nelson, Frances Drake, Irma Gar-
ber, Paul Koender, Donald Whit-
aker, Carol Light and Malcolm
Barnard, president. Patrons were
Miss Maud Soper and Rev. J. C.
Livingston. Approximately sixty
were present.

Birthday Dinner

Mrs. John W. Cotton of 1202
East Colorado entertained at din-
ner Monday night at a surprise
for Mr. Cotton, who was celebra-
ting his birthday anniversary. The
guests were associate members of
the Casa Verdugo church, who
spent many evenings together in
voluntary work in finishing the
church basement rooms. Covers
were laid for Messrs. E. E. Mas-
ters, L. F. Drake, O. M. Newby,
R. D. Jones, H. J. Olmsted, J. W.
Cotton, Rev. J. C. Livingston,
Mrs. Cotton.

Children's Mask

Martha Tadlock entertained a
number of little friends very hap-
pily Tuesday night from 7 to 9
o'clock at the home of her par-
ents on North Louise street. The
guests were in masquerade cos-
tumes, and the evening was enlivened
with jolly Halloween games, with
prizes awarded in various con-
tests. Those present were Elaine
Harrison, Alice Guelscher, Jane
Addie Piercey, Thelma Johnson,
Delbert Adair, Lewis Tadlock.
Light refreshments were served.
The hostess was assisted by her
mother, Mrs. Tadlock.

Births

A daughter was born to Mr. and
Mrs. Andrew S. Reed, 246 Keener
avenue, Burbank, October 31,
1923, at the Glendale Sanitarium
and Hospital.

Afternoon Party

One of the Halloween parties
which has attracted much atten-
tion during the week was the
fancy-dress and masquerade given
by Dorothy Alexander at the
home of her parents, Mr. and
Mrs. William A. Alexander, 1003 East
Palmer avenue, Wednesday after-
noon from 2 to 5:30 o'clock.

Graceful bouquets of autumn
flowers, pumpkins, witches,
black cats and other Halloween
decorations were featured.

The refreshment table was
cleverly decorated in the Hal-
loween colors of orange and
black and the guests' places were
marked with symbolic favors and
bon-bon baskets. The refresh-
ment course consisted of dainty
sandwiches tied with black and
orange ribbon, cake, and punch
served in pop bottles dressed as
witches with cookie hats and ap-
ple heads.

Prizes for various games were
awarded to Katherine Ferry, Eve-
lyn Johnson and Irene Tremain.

Those present were Eithelyn
Fleischman, Genevieve Berman,
Irene Tremain, Frances Lord, Mar-
guerite Stratton, Eleanor Flynn,
Jeanie Leach, Rosalie Mudgett,
Evelyn Johnson, Muriel and June
Marlett, Helen Okey, Katherine
Town, Louise and Alice Torrey,
Dorothy and Bob Alexander.

Buckeye Society

Permanent organization of an
Ohio state society took place last
night in the Odd Fellows' Hall on
West Broadway, where Glendale
Ohioans gathered for a Halloween
party.

The new organization is to be
known as the Buckeye society and
the officers are: B. M. Billings, vice
president; A. Van Wormer, treas-
urer; Mrs. Harry Greenwalt, re-
cording secretary; Mrs. John Mc-
Gregor, corresponding secretary;
Mrs. George Hyne, publicity.

A program followed the meet-
ing.

Pupils Plan to Make Toys at High School

(Continued From Page 1)

Painted that could be used in this work will be gratefully received. Enthusiasm Reigns

So enthusiastic are the pupils that many have agreed to do this work in periods outside of their regular classes, although some of the regular time will no doubt be allotted to this worthy cause. At the present time the fourth period in the morning and the third in the afternoon have been set aside for this work. Students who have school regularly in the afternoon will help in the morning, and those who come to school in the morning can help in the afternoon. After the necessary painting and repairing is done, the

Fine Arts department will decorate the toys.

Salvage Old Toys
Don't delay, but go today and dig around in that closet and see if you can't find something that will be useful. The authorities in charge of the work estimate that there are enough toys thrown away and discarded annually in Glendale, that if they could be salvaged under this plan, there would be enough so that no child in this city would pass Christmas without being remembered.

The cause is certainly a worthy one and it will meet with the response which it so assuredly deserves. If you have anything that you think might be useful, give it to a student attending this institution and it will be delivered to the correct department.

JAPANESE HONOR AMERICAN ENVOY

Old Glory Flies From Tokio Flagstaffs as Woods Leaves for U. S.

By DUKE N. PARRY
For International News Service
TOKIO, Nov. 1.—Tokio early today began giving United States Ambassador Cyrus E. Woods, who is returning to America, what Tokio diplomats characterized as the greatest demonstration in the diplomatic history of Japan.

Despite the fact today is the emperor's birthday, American flags were prominently crossed with the Japanese emblem throughout the city, with many Japanese buildings flying Old Glory.

Gifts of Flowers
Thousands of students and others who have lived in American tents and barracks and received American aid during and since the earthquake gathered in front of the embassy throughout the morning. The courtyard was filled with chrysanthemums and other flowers.

Repeated calls brought out Ambassador Woods first at 10 o'clock when he told the people crowding the streets and courtyard of the Imperial hotel, where the embassy is located, that he would tell the people of the United States of this wonderful exhibition of Japanese appreciation.

Ambassador Woods was forced to appear and make another speech before his departure this afternoon at 3:20 for Yokohama where he sailed on the President Cleveland for San Francisco.

Starters in Tanforan Opening Contemplated

TANFORAN RACE TRACK, Nov. 1.—Whether Knobbie, 5-year-old son of Wrack, will be started in the inaugural handicap, feature event of the opening Saturday of the Pacific Coast Jockey club's twenty-five-day meet, was the chief point of interest among the rail birds today. Knobbie is the star performer of the Coburn brothers' stable, and, if started Saturday, will carry top weight in the field of 122 pounds. Mad Hatter headed the nominations list with 132 pounds and Little Chief was second with 128, but neither horse will start as they will not arrive in time. Announcement was expected today as to whether Knobbie will be ready to go Saturday. Of the forty-two horses nominated for the opening handicap, a score remained today in the list of "probable starters."

DEATH FOR GRAFT
MOSCOW, Nov. 1.—Boris Izmilov, his wife and officials taken to guard the little ones who were sentenced to death by the supreme court.

COMMENT That's All

Veterans' Bureau Probe Records of Accidents Criminals, Their Cure Why Dig Up the Dead?
By Gil A. Cowan

Perhaps you have been reading of the investigation into the transactions of the Veterans' bureau at Washington, D. C. The reports speak for themselves, pointing a finger of shame at the politicians who used "high pressure" methods in forcing upon the government lands and buildings for "disabled service men's welfare" at outrageous prices.

And linked with the open and brazen profiteering in real estate are the sinister sisters of graft and fraud—namely, dope and booze. It is a sordid old world that permits of occurrences such as the present probe reveals—the materialistic chicanery indulged in by some of our so-called "respected and prominent citizens."

The American Legion has been instrumental in bringing this investigation about and it is to be complimented on stirring the very drags of the cup. Yet, when all is said and done it will probably result in some weaker member of society being sent "over the road," while the many participants in the fiasco of ministering to the wounded in the World war will pass into oblivion.

In the last two days two men have died and several have been injured here in motor accidents. The Santa Barbara News comments on the subject as follows:

The records show that during the year 1922, 73,300 persons met death in the United States through accident. This means that more than 200 persons were killed every day.

It is safe to say that 90 per cent of these accidents were avoidable. As compared with the preceding year, the number of fatal accidents increased, in the face of a campaign for "safety first" which has been gathering momentum for two or three years. The number of accidental deaths last year was 2000 more than that of 1921, which does not speak well for the measures taken to reduce accidents.

Because of the increasing number of automobiles in use and because of the steadily increasing mileage of these machines, it is not surprising that automobile deaths show a steady increase.

But the gain in deaths from other accidents can be explained on the theory that as a people we are naturally careless of life.

During the past year or two the teaching of safety first has been begun in the public schools of many cities. Children are being educated as to the dangers of traffic and other incidents of city life. Safety zones are thrown about the schools of most cities and extra police precautions are taken to guard the little ones who furnish the large proportion of the victims of city accidents.

Every individual should make safety first his own slogan. Only by arousing a strong personal interest of men and women can this appalling waste of human life be stopped.

Mr. Rich of our staff writes the following comment for us regarding a speech he heard yesterday:

Dr. Charles R. Dirks, professor at Occidental college, and senior physician at the Los Angeles county hospital, talked before the Exchange, at their weekly luncheon. He talked on crime, making strong statements that are, after all, only putting it mildly.

"There were more robberies in Los Angeles in 1917," he said, "than in all of the British Islands except Ireland." Why pick on Ireland?

While Dr. Dirks talked, and very entertainingly, too, there were doubtless some 'teen stick-ups, hold-ups, bank crackings, thuggeries and the like pulled off in and about Los Angeles. It's all very discouraging to the average man, who's getting afraid to go out after dark. But the police and the alienists are not at all discouraged. The former are nonchalant and the latter intensely hopeful.

These are the four remedies suggested by Dr. Dirks: First, separate the mentally fit from the unfit, since two per cent of our population is defective and the criminals come in the main from the defective classes; second, sterilize the unfit; third, keep all prisoners at work, and fourth, apply medical science to the problem.

An engagement ring, a Michigan court decision is not a gift, but a conditional loan. And according to divorce statistics, it soon is called.—Stockton Independent.

It is about time every man protested vehemently against the offensive habit of digging the remains of famous men and women out of their graves so that they may be made the subject of cheap publicity and ugly monuments.—Fresno Bee.

The man who rises every time he falls eventually is going to be able to stand on his feet.—Willows Journal.

REDUCE YOUR FAT WITHOUT DIETING

Years ago the formula for fat reduction was "diet"—"exercise." Today it is "Take Marmola Prescription Tablets." Friends tell friends—these friends tell others. They eat substantial food, live as they like and still reduce steadily and easily without any strenuous long stages of tiresome exercise and starvation diet. Marmola Prescription Tablets are sold by all druggists the world over at one dollar for a case, or if you prefer you can order direct from the Marmola Co., 4612 Woodward Ave., Detroit, Mich.—Advertisement.

FAR EAST ART TOPIC AT CLUB

Frederick Alfred Leekney of Russia to Address Local Association

The Glendale Art association will hold their regular open meeting 4 o'clock Sunday afternoon, November 4, at the public library, announces Mrs. Roy A. Ballagh, president.

Frederick Alfred Leekney, a Russian sculptor, painter and interior decorator, will talk on "Art in the Far East," illustrating his remarks with a collection of pictures showing Manchurian and Mongolian temples, Tibetan monasteries and many other interesting subjects.

Mr. Leekney spent seven years in the Orient collecting these paintings. Many were lost in the recent earthquakes, it is understood. The pictures will be found of especial interest to high school students, Mrs. Ballagh points out, owing to their historical significance.

The exhibit of paintings by Glendale Union High school students will be on view Sunday afternoon at the public library, in charge of Miss Annette Abel. Those who are unfamiliar with the accomplishments of local students in this department would do well to attend the meeting of the association.

The November exhibit of the Glendale Art association is hung at the Tuesday Afternoon club, Mrs. Ballagh states, and consists of thirty-five small canvasses to be auctioned off to the highest bidder.

Organize Classes to Teach Ribbon Work

Beautiful ribbons are always suggestive of the holiday season and gift-making, and the pre-holiday season in Glendale is bringing an unusual opportunity for Glendale women, for the Penderoy store is organizing ribbon classes, to meet every Wednesday and Friday afternoon from 2 to 4 o'clock.

All types of novelty work in ribbon are to be taught, and special attention paid to Christmas gifts. The list of creations planned includes fancy flowers, lingerie decorations, lamp shade decorations, corsage arrangements, head bands.

The ribbon department at Penderoy's offers a wide choice in ribbons, and upon registering for the ribbon classes Glendale women can make many attractive Christmas gifts.

News Classified Ads Hasten Realty Deals

That Glendale Evening News classified advertisements are a big factor in Glendale's realty activity, is the opinion expressed by Mrs. Nettie Williams, realty dealer, of 1139 East Maple street, who completed three realty deals yesterday involving property she had advertised in The Glendale Evening News.

The deals included the sale of a lot in the Bellevue tract to Attorney Leonard Wilson; the sale of a lot on Porter street, near Maple, to Mr. Larson of the Sunset Canyon Country club.

The third and last deal resulted rather uniquely, for, in order to get exclusive listing of a five-room house on Garfield, Mrs. Williams promised to buy the property herself if she didn't sell it in a certain length of time, and, after showing it to several prospects, she became so enthused over the proposition that she bought it herself, although the allotted time was not up.

DRINK WATER TO HELP WASH OUT KIDNEY POISON

If Your Back Hurts or Bladder Bothers You, Begin Taking Salts

When your kidneys hurt and your back feels sore don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In twenty-four hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of good water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate clogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink, which everyone should take now and then to help keep their kidneys clean and active. Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year.—Advertisement.

From the Orchards of the Pacific-Southwest

THE broad valleys and sloping hillsides of the Pacific-Southwest are covered with orchards which yield an abundance of fruit of every description. From the 215,000 acres of deciduous fruits in this territory there came last year crops with a total farm value of more than \$16,000,000.00.

The estimated value of the individual crops included in this acreage was: Peaches, \$7,550,000; apricots, \$3,250,000; apples, \$2,100,000; prunes, \$930,000; figs, \$850,000; pears, \$625,000; olives, \$350,000; cherries, \$281,000; plums, \$210,000.

The activities of the Pacific-Southwest are diverse. Production, movement and marketing of crops extends throughout the year.

The Pacific-Southwest Bank through its inter-community system, operating in thirty-six California cities from Fresno south, has been able to create a continuous circle of bank credits, which brings about an elasticity resulting in a vastly increased financial service to each community and the Pacific-Southwest as a whole.

CITY PRINTING

RESOLUTION OF INTENTION
NO. 2153

A RESOLUTION OF THE COUNCIL OF THE CITY OF GLENDALE, CALIFORNIA, DECLARING ITS INTENTION TO IMPROVE PORTIONS OF CERRITOS AVENUE AND GARDENA AVENUE WITHIN SAID CITY.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF GLENDALE:

SECTION 1. That the public interest and convenience require and it is the intention of the Council of the City of Glendale to order the following work and improvement to be done, to-wit:

First: That Cerritos Avenue from Gardena Avenue to a line described as follows:

Beginning at the most southerly corner of Lot 13, Block 5, Tract No. 910, as per map recorded in Book 16, page 133 of Maps, Records of Los Angeles County, California, thence southeasterly in a direct line to the most westerly corner of Lot 16, said Block 5; thence southeasterly along said line drawn at right angles to the southwesterly line of Gardena Avenue at a point therein four (4) feet northwesterly, measured along said line, from the most westerly corner of Cerritos Avenue and Gardena Avenue to a line drawn at right angles to the southwesterly line of Gardena Avenue at a point therein four (4) feet northwesterly, measured along said line, from the most southerly corner of Gardena Avenue, all more particularly set forth on Plan No. 645, duly adopted by the Council of the City of Glendale, and now on file in the office of the City Engineer of said City, shall be improved as follows, to-wit:

That said streets and portions of streets be graded, paved with five (5) inch oil macadam pavement, and that there be constructed thereon cement sidewalks, all in accordance with the plan, and cross-sections therefor shown on the aforementioned Plan No. 645. All of the foregoing work shall be done in accordance with the plan, and cross-sections therefor shown on the aforementioned Plan No. 645, as approved by the Council of the City of Glendale and now on file in the office of the City Engineer of said City, and known as Specifications No. 36 and No. 37.

Second: That a six (6) inch Class "C" cast iron water pipe for fire protection and for the distribution of the domestic water supply be laid in Cerritos Avenue from a line eighteen (18) feet northwesterly from and parallel to the southwesterly line, and its extensions, of Gardena Avenue to a line described as follows:

Beginning at the most southerly corner of Lot 13, Block 5, aforesaid Tract No. 910, thence southeasterly in a direct line to the most westerly corner of Lot 16, said Block 5; thence southeasterly along said line drawn at right angles to the southwesterly line of Gardena Avenue at a point therein four (4) feet northwesterly, measured along said line, from the most southerly corner of Gardena Avenue, all more particularly set forth on Plan No. 645, duly adopted by the Council of the City of Glendale, and now on file in the office of the City Engineer of said City, and known as Specifications No. 36 and No. 37.

All the foregoing work on Cerritos Avenue and Gardena Avenue shall be set forth, delineated and described on Plans No. 645, 439 and 448 on file in the office of the City Engineer and in Specifications No. 36, 37 and 42 on file in the office of the City Clerk. Said Plans and Specifications shall be referred to for the full and detailed description of the said proposed work or improvement.

That the grade to which the aforesaid work shall be done and the improvement made which are provided for in this Resolution of Intention shall be the grade heretofore established therefor by the Council of the City of Glendale.

SECTION 2. That in the opinion of the Council of the City of Glendale said contemplated work or improvement is of more than ordinary public benefit and said Council therefore declares that said work or improvement shall be assessed to pay the costs and expenses thereof in all that portion of said City within the following described exterior boundary lines, to-wit:

Beginning at the most easterly corner of El Bonito Avenue and Gardena Avenue, thence southeasterly along the northwesterly line, and its extensions, of Gardena Avenue to the most northerly corner of Mira Loma Avenue and Gardena Avenue; thence southeasterly in a direct line crossing Gardena Avenue to the most easterly corner of Lot 23, Block 5, Tract No. 910, as per map recorded in Book 16, page 133 of Maps, Records of Los Angeles County, California; thence southeasterly along the southwesterly line of said Lot 23, and its southwesterly extension, to an intersection with a line drawn one hundred (100) feet southwesterly from and parallel to the southwesterly line and its extensions, of Block 5 of said Tract No. 910; thence northwesterly along said line so drawn to an intersection with the southwesterly extension of the northwesterly line of Lot 7, said Block 5; thence northwesterly along said line, and along the northwesterly line of said Lot 7 to an intersection with the southwesterly line of Gardena Avenue; thence northwesterly in a direct line crossing Gardena Avenue to the point of beginning, excepting from the above described district any portion of any public street or alley that may be included therein.

The above description is general only. Plat No. 645 of said district, duly adopted by the Council of the City of Glendale, indicating by a red boundary line the extent of the territory included in the proposed district, is on file in the office of the City Engineer. Reference is hereby made to said Plat for a further, full and complete description of said assessment district.

SECTION 3. That notice is hereby given that on Thursday the 22nd day of November, 1923, at 3:00 o'clock P. M., in the Council Chamber of the Council of said City, located in the City of Glendale, California, any and all persons having any objection to the proposed work or improvement, may appear before said Council, and show that said proposed work or improvement should not be carried out in accordance with the plan, and cross-sections therefor shown on the aforementioned Plan No. 645, as approved by the Council of the City of Glendale, and now on file in the office of the City Engineer of said City, and known as Specifications No. 36 and No. 37.

CITY PRINTING

NOTICE OF DELINQUENT ASSESSMENT AND SALE

PUBLIC NOTICE IS HEREBY GIVEN that the following assessments for the opening and laying out of Garfield Avenue from the easterly line of Mariposa Street to the westerly line of Adams Street in the City of Glendale, in the manner contemplated by Ordinance No. 440 of said City, became delinquent on the 22nd day of October, 1923, and, unless each assessment delinquent, together with the penalty and costs thereon, is paid before 10 o'clock A. M. of the 19th day of November, 1923, the property on which such assessment is a lien will be sold at public auction on the said 19th day of November, 1923, at 10 o'clock A. M. in front of the office of the Street Superintendent, of the City of Glendale, at the City Hall, No. 619 East Broadway, Glendale, California:

Owner Number Description Assessment Penalty Costs
Unknown 34 That portion of Lot 23, Watts' Subdivision, as per map recorded in Book 5, Page 260, Miscellaneous Records of Los Angeles County, California, described as follows: Beginning at a point in the easterly line of Tract No. 956, as per map recorded in Book 50, Page 44, of Maps, Records of Los Angeles County, California, said point being one hundred ninety-eight (198) feet southerly measured thereon from the southerly line of Windward Road; thence easterly parallel to the southerly line of Windward Road one hundred (100) feet; thence southerly parallel to the easterly line of said Tract No. 4656 to an intersection with the easterly extension of the southerly lines of Lots 7 to 12, both inclusive, of said Tract No. 4656; thence westerly along the easterly extension of said southerly line of the southerly line of Lot 12 of said Tract; thence northerly along the easterly line of said Lot 12 to the point of beginning.

Unknown 45 That portion of Lot 33, Watts' Subdivision, as per map recorded in Book 5, Page 260, Miscellaneous Records of Los Angeles County, California, described as follows: Beginning at the intersection of a line two hundred seventy-five and twenty-two hundredths (275.22) feet westerly from and parallel to the westerly line of Lot 4 of the Subdivision of Lot 34 of Watts' Subdivision, as per map recorded in Book 36, Page 4, Miscellaneous Records of Los Angeles County, California, with the easterly extension of the northerly line of the Mosier Tract, as per map recorded in Book 13, Page 33 of Maps, Records of Los Angeles County, California; thence westerly along the easterly extension of said northerly line seventy-nine (79) feet; thence northerly parallel to the westerly line of said Lot 4 to an intersection with the easterly extension of the northerly line of Block B, Tract No. 4656 as per map recorded in Book 50, Page 44 of Maps, Records of Los Angeles County, California; thence easterly along the easterly extension of said northerly line seventy-nine (79) feet; thence southerly in a direct line to the southerly line of Lot 8, Block B, Tract No. 4656 as per map recorded in Book 50, Page 44 of Maps, Records of Los Angeles County, California.

tions to the proposed work or improvement, may appear before said Council, and show that said proposed work or improvement should not be carried out in accordance with the plan, and cross-sections therefor shown on the aforementioned Plan No. 645, as approved by the Council of the City of Glendale, and now on file in the office of the City Engineer of said City, and known as Specifications No. 36 and No. 37.

SECTION 4. That the City Clerk is hereby directed to publish this Resolution of Intention in The Glendale Evening News, a daily newspaper of general circulation, published and circulated in said City, and hereby designated as the newspaper in which this Resolution of Intention shall be published in the manner and in the form required by law.

SECTION 5. That the Street Superintendent of said City of Glendale shall cause to be conspicuously posted along the line of said contemplated work or improvement and along all of the open streets in the district to be assessed to pay the costs and expenses of said improvement, notices of the passage of this Resolution of Intention, in the time, in the form, and in the manner required by law.

SECTION 6. That the Council of the City of Glendale hereby determines and declares that serial bonds to be issued hereunder, in the manner provided by the improvement bond act of 1915, and the last installment of said bonds shall mature nine years from the second day of July next succeeding ten (10) months from their date.

SECTION 7. Except as hereinbefore stated, all the proceedings for the aforesaid work and improvement shall be had and taken under an act of the legislature of the State of California, known as the "Improvement Act of 1911."

Adopted and approved this 30th day of October, 1923.

SPENCER ROBINSON, Mayor of the City of Glendale.

ATTEST: A. J. VAN WIE, City Clerk of the City of Glendale.

STATE OF CALIFORNIA, COUNTY OF LOS ANGELES, ss. CITY OF GLENDALE.

I, A. J. VAN WIE, City Clerk of the City of Glendale, do hereby certify that the foregoing Resolution was duly adopted by the Council of the City of Glendale, State of California, and signed by the Mayor, at an adjourned regular meeting thereof, held on the 30th day of October, 1923, and that the same was passed by the following vote, to-wit:

Ayes: Hall, Horn, Davis, Kimlin, Robinson. Noes: None. Absent: None.

A. J. VAN WIE, City Clerk of the City of Glendale. 16-31-23--11-1-23

SERVICE ON CARS

Morriss System Branch Has
Five-Year Lease on
Glendale Building

A new industry that will materially increase the local payroll has come to Glendale, in the opening by C. H. Arbenz at 741-747 South Fernando road of the Gene Morriss one-day auto painting system branch, making the third in Southern California, the other two being in Los Angeles and San Diego.

A five-year lease has been signed between Mr. Arbenz and L. H. Wilson, owner of the above premises. The property comprises 100 feet of frontage and 9000 feet of floor space, all under cover in new brick construction.

900 Cars Monthly
Probably fifteen men will be employed by the new plant at the outset, Mr. Arbenz states, this number being greatly increased as business develops. It is pointed out that wherever the Gene Morriss one-day auto painting system has been established, it has proved a huge success. A total of 900 cars a month are now being painted in the Los Angeles, San Diego, Dallas, Fort Worth and San Antonio plants, he says, and more branches are constantly being opened up, the franchise method of expansion being employed by the main organization, which is located in Dallas.

"The Gene Morriss system is not an experiment but a painting system of proven superiority, the result of twenty-eight years of practical painting experience," says Mr. Arbenz. "We remove the old paint, apply the proper undercoats and finish with a gloss equaling that of a new car, using the best materials known. All bodies, fenders and wheels are painted by hand, while the chassis is sprayed. We can give a complete and satisfactory paint job in twenty-four hours, at unheard of prices."

Mr. Arbenz comes from Denver where for many years he was successfully engaged in business and was active in the city life, being for six years vice chairman of the official board of the Washington Park Community church, and a member of the El Jebel Temple Shrine of that city, as well as a Y. M. C. A. leader and an active member of business and social clubs.

Mr. Arbenz brings with him from Denver his wife and their three children. They at first moved to Hollywood, where they are now building a home, but on establishing himself in business here in Glendale he has decided to place their home on the market as soon as it is completed and build in this city.

Mrs. Arbenz is at present the organist in the new First Methodist Episcopal church of Pasadena. It was in driving from Hollywood to Pasadena to attend church that Mr. Arbenz "discovered" Glendale, deciding after a thorough investigation, that it was just the place to open up a Gene Morriss branch.

Equipment is now being installed states Mr. Arbenz, and his plant at 741-747 South Fernando road will be ready for business in a few days.

Other games scheduled in the Valley winter loop for Sunday are: Hollywood at Van Nuys; San Fernando at Zelzah; Ban Duras at Owensmouth.

Union Pacific Cuts
Fares for Holidays

Announcement was today made by T. C. Peck, general passenger agent of the Union Pacific system, that reduced round trip fares for the coming holiday season will be made by that line between all of its stations in California, Nevada and Utah.

For Thanksgiving Day tickets will be sold on November 27, 28 and 29, good for return until December 4; for Christmas and New Year, tickets will be sold on December 22, 23, 24, 25, 29, 30 and 31 and January 1, all good for return until January 3, 1924.

These reductions will afford many people an opportunity for enjoyable trips and visits during the holiday season.

El Bonito Children
Enjoy Halloween

Following their annual custom for the past ten years, the young folks of El Bonito street and vicinity held a Halloween parade last night. Witches, ghosts, clowns and goblins of all kinds were abroad calling on their neighbors and indulging in harmless fun.

Those participating last night included Carolyn Ashton, Wesley Ashton, Dorothy and Betty Lee Thedaker, Rosemary Gilhuly and Billy Flynn, and a number of others too effectively disguised to be recognized.

To Elect Yell Leader
A great deal of interest is being manifested in the coming election for yell leader at the Glendale Union High School, which will be held during the third period Friday.

COUGHS, COLDS, WHOOPING COUGH
Mrs. Will Hall, R. No. 3, Baxley, Ga., states, "I am writing to all who suffer from coughs, colds, croup or whooping cough. I cannot recommend Foley's Honey and Tar too much, and I can't keep house without it. Have been using it since 1919 and have found it the best medicine there is for grown-ups and children. Best and largest selling cough and cold remedy in the World. Refuse substitutes."

Glendale Pharmacy, 638 East Broadway; Hub Pharmacy, Glendale; and Colorado; Acacia Pharmacy, 922 South Glendale Avenue.—Advertisement.

SOCIAL EVENTS

(Continued From Page 2)
ation, of which Mrs. Charles Griffin is president, will be held tomorrow afternoon, Friday, November 2, at the schoolhouse at 2:15 o'clock.

An especially arranged program planned by the program chairman, Mrs. Hughes, will be presented during the afternoon.

Children's Frolic

Mrs. George H. Moore of 221 West Elk street, superintendent of the primary and beginners' department of the Pacific Avenue Methodist Sunday school, was hostess yesterday afternoon to the children of the department and their mothers at a jolly Halloween party. There were thirty-seven children present and eleven mothers.

Halloween decorations in orange and black were artistically carried out in the various rooms of the Moore home. Black cats, witches, smiling pumpkin faces, spooky ghosts and orange-shaded lights were used in the decorations.

The refreshment table was decorated in the same color scheme, with a large pumpkin face forming the centerpiece. The little guests seated at the table were presented with cleverly fashioned paper caps in the Halloween colors. Refreshments of orange ice cream and chocolate cake were served.

Halloween games, contests, races and a general good time was enjoyed. Mrs. Moore was assisted in entertaining by several teachers of the department, including Mesdames Harold Adams, W. H. Robinson, Fred Maynard, Felix and Miss Mary Mullen.

Epworth Leaguers

A jolly Halloween social and costume party was given last Tuesday night by the members of the Epworth League of the Central Avenue Methodist church in the social hall.

Decorations appropriate to the season were used, including pumpkins, ghosts, black cats, and crepe paper festoons in black and orange.

Games, contests and a jolly good time was enjoyed by all. Albert Hewitt and Rutherford Wallace were awarded prizes for one of the contests.

Bill Marple and Leland Baker planned the affair and were in charge of all arrangements.

Those present were Misses Carol Eighmy, Mary Bear, Anna Mac Hunt, Wilma Hunt, Norma Berry, Beth Patterson, Norma Wallace, Emily Knapp, Eleanor Knapp, Messrs. Roy Forney, Normand, Donald and Philip Frahm, Steve Gardner, Bill Marple, Albert Hewitt, C. Fisher, R. Dunbar, Rutherford Wallace, Harold Williams, Rev. and Mrs. Kline, Mr. and Mrs. Leland Baker, Mr. and Mrs. Clyde Phillips, Mr. and Mrs. Merton Seay, Mr. and Mrs. Roger Baker.

At Castile Home

The masquerade dance and Halloween party given last night at the A. B. Castile home at 907 Mariposa street, by Alice Castile, proved to be one of the most delightful affairs celebrating the annual fall revelry.

A profusion of pumpkin faces, black cats, corn stalks, fall flowers and Halloween favors were features of the decorations for the games, dances and late dinner.

All of the guests appeared in clever costumes and the prizes were won by Marjorie Gilhuly and Clyde Johnson.

Mrs. Castile was assisted in receiving by Mrs. Retha Kauffman and Miss Gertrude Schmitt.

Invitations were issued to Jean Ingram, Marjorie Gilhuly, Marion Ballard, Rosamund Bicknell, Esther Ralston, Wayne Yarrick, Shirley Preston, Reid Stearnman, Clyde Johnson, Jim Johnson and Meredith Brown.

Luncheon-Cards

Mrs. W. J. Siebert of 1063 Alen street entertained informally yesterday with a luncheon and five-hundred party. Her home was artistically decorated with fall flowers and Halloween appointments were used on the luncheon table.

Guests were Mesdames J. Hartman, T. P. Evans, F. Doeblich, C. Vogel, M. Wisman, H. Richter, G. Hynes.

Mrs. Hartman won first prize and Mrs. Evans second prize.

Law Study Club

The Women's Parliamentary Law club, meeting tomorrow morning from 10 till 11:30 o'clock at the Public Library will study the Constitution of the United States. Mrs. Opal Greenwalt is instructor.

It is announced that the charter will be kept open at the meeting and that all women desiring to join tomorrow will be admitted as charter members.

Relief Committee

Mrs. George C. Cribbs of 327 West Patterson avenue, will entertain the members of the local relief committee of the Tuesday Afternoon club, of which Mrs. F. S. Card is chairman, at her home Friday afternoon, November 2, at 1 o'clock. The afternoon will be devoted to talking comforts it is announced.

Drama Section

Mesdames W. L. Andrews and J. Roger Bentley are to be hostesses tomorrow afternoon at the meeting of the Drama Section of the Tuesday Afternoon club in the foyer of the clubhouse. The meeting is announced for 2 o'clock, with Mrs. Max Green, curator, in charge.

Cerritos P.-T. A.

Mrs. W. F. Small, president of the Cerritos Parent-Teacher association, announces that the board of directors and chairmen of committees are to meet at 3 o'clock tomorrow afternoon at the school.

Toshki Ranch Bought by Local Realty Men

Purchase of the Reinhold Toshki ranch in La Crescenta by the firms of Wilson & Burton and Twining & Myers, both Glendale realtors, was announced this morning by L. H. Wilson, from his offices at 1034 South San Fernando road.

The historic property passed into the hands of the new owners late yesterday afternoon, as the consummation of a deal for some time pending, and will at once be subdivided and placed on the market, Mr. Wilson states.

The property includes 1300 feet of Pennsylvania avenue frontage, offering an unexcelled view of the San Fernando valley, and is believed by the purchasers to be ideal residence property.

On the opening date, which will be announced later, a big barbecue will be held with William Twining as host, and the public can be assured of a feast royal, as "Bill" holds to the old Spanish idea of hospitality.

The property will be subdivided from the La Crescenta office of the purchasers, located at Honolulu avenue and Los Angeles street.

Middle-Western Mud Delays Trip to Coast

Experiences of traveling through the mud and over the rough roads of Missouri and Kansas are related by Charles Hamilton Young, who is on his way to California to make his home in Glendale with his mother, Mrs. Roberta T. Young of 469 Oak street.

Mr. Young left New York October 5, expecting to reach California in two weeks, and he was making fine progress, traveling 200 miles a day until he reached St. Louis.

From there on he encountered bad roads and mud almost everywhere, and writes that it took him two weeks to drive from St. Louis to Greensburg, Kas.

This is Mr. Young's first trip to California, and he writes that his enthusiasm is not waning, even in the face of deep mud and bad roads.

Fall Fashion Revue at Palace Grand Shops

The formal fall opening of Jensen's Palace Grand shops at 133 North Brand boulevard, to be held this afternoon and tonight with a brilliant Fall Fashion Revue as a special feature, will offer Glendale women an opportunity to see the latest styles amid pleasing circumstances.

Jensen's jazz orchestra will play special numbers in the arcade, both afternoon and night, it is announced, and every woman attending will be presented with an attractive souvenir.

As all the shops are now filled, states Robert Jensen, proprietor, the occasion will be as much in celebration of this successful consummation of a big project as to offer a revue of fall styles and modes.

Everyone is cordially invited to be present and the program, which has been specially prepared, ensures an afternoon or evening well spent.

Angelino Beats Hoppe in Billiard Contest

A Los Angeles man, Welker Cochran, well known to many local people and especially billiard enthusiasts, took Willie Hoppe, champion, into camp last night, according to word received here this morning.

The match was the feature of the day's play in the 18.2 balkline billiard tournament for the world's championship, now being played at the Hotel Pennsylvania, New York city.

Cochran upset all the dope by his defeat of Hoppe, finishing his block of 500 while the champion was gathering 230. In accomplishing this feat the Angelino made the highest run of the week, 146, and in finishing in sixteen innings, set up the best average, 31 4-16.

Kellogg Acceptable As Envoy to Britain

LONDON, Nov. 1.—Former United States Senator Frank Kellogg of Minnesota will be acceptable as the American ambassador to the court of St. James, the British government has formally announced. Senator Kellogg's name was presented to King George and Lord Curzon, the foreign secretary, and they expressed their satisfaction.

WASHINGTON, Nov. 1.—Final action on the selection of an ambassador to Great Britain to succeed George Harvey, who will retire on January 1, was expected to be taken by President Coolidge as a result of the British government's acceptance of Frank B. Kellogg, former senator from Minnesota.

Husband Held After Woman Is Found Shot

HANFORD, Cal., Nov. 1.—Mrs. Katie N. Stephens, 45, is dead and her husband, Charles Stephens, 52, of Fresno, is in the county jail here as a result of the shooting of the woman at the Stephens ranch at Hardwick, a few miles from here, Tuesday night.

The woman's body with a gaping wound in the chest, torn by a charge of shot fired from a shotgun at close range, was found a few feet from the door of the ranch house by Dr. A. B. Rossom and Sheriff W. F. Hime, of Kings county.

The couple had been having trouble over a settlement of property interests following a divorce action, the officers said after an investigation, and it is presumed the killing resulted from a quarrel.

Stephens refused to talk when locked in jail. He came into Hanford Wednesday morning and requested that a physician be sent to the ranch.

Two Million Tots in Germany to Be Fed

CHICAGO, Nov. 1.—Major-General Henry T. Allen, formerly commander of the American army of occupation, has announced that a national committee has been formed to feed 2,000,000 children in Germany this winter. A fund of undetermined amount is to be subscribed at once.

General Allen arrived in the forenoon from Washington to lay plans with General Charles G. Dawes for the national campaign. General Allen said acceptances had been received from approximately 100 of the country's prominent men and women to superintend the campaign and turn over funds to the American Friends' Service committee (Quakers), which will direct the actual feeding.

General Allen said that among those accepting places on the national committee were: Dr. Benjamin I. Wheeler, Berkeley, Cal.; William Pigott, Seattle, and Dr. R. L. Wilbur, San Francisco.

Destitute Motorist Dies in Auto Camp

TWIN FALLS, Idaho, Nov. 1.—Albert L. Baldwin, 77, of Portland, Ore., is dead and his wife, 72, is critically ill at a hospital here as a result of exposure and hunger they experienced while camping at the auto park at Buhl, Idaho, a few miles from here.

Harry Baldwin, son of the aged couple, whose mind is said to be affected by the harrowing experiences, notified Salvation Army workers at Buhl on Monday of the plight of his parents. When the workers reached the camp the father was dead and the mother so emaciated she was unable to lift either hand.

According to word received here, Baldwin told authorities that the family recently went to California by automobile and that their funds entirely gave out on the return trip.

P. G. Boyd Dies From Motor Crash Injuries

The death of P. G. Boyd, 3937 Revere avenue, occurred yesterday afternoon at 2:30 at the Glendale Sanitarium and Hospital, as the result of injuries received in a motor accident yesterday morning on the San Fernando road near the southern city limits. In attempting to avoid a collision with another car, Boyd swerved too sharply to the right and his car upset, fracturing his skull and causing a hemorrhage. The body was taken to the parlors of the L. G. Scovern company. The time of the inquest has not as yet been set.

New and Good

—It's so good we must tell you about the new Picadilly Chocolate bar—contains almonds and marshmallow in the center.

Auto, Reported Stolen, Recovered by Police

A Chevrolet roadster owned by the W. E. Pierce Desk Co., 907 South Hill street, Los Angeles, which was reported stolen from the corner of Brand avenue and Wilson avenue at 9:30 last night, was recovered this morning by Lieutenant Nunn and Sergeant Lauritzen.

The stolen car was found on San Fernando road near Kenilworth avenue, as the result of advice received by the police that a suspicious looking car had been standing there for some time.

Sophomores to Mimic Moving Picture Stars

The sophomore class of the Glendale High school has perfected plans for the Sophomore night, Friday, November 9. The entertainment will take the form of a masquerade, with members of the class impersonating well-known actresses and actors in prominent parts of famous moving pictures. "Bill" Kirk was elected yell leader.

P. E. Employee Suffers Injuries in Car Crash

Gabriel Juarez, employee of the Pacific Electric railway, was slightly injured last evening at 6:30 o'clock, when he was struck by a machine driven by Norman E. Howton, 326 North Belmont street, in front of the city hall on East Broadway.

Dr. F. F. Thomson was called and he pronounced the injuries to be of a minor character, consisting of contusions on the right hip. Howton stated that the man was dressed in black, and he did not see him until he was too close to avoid hitting him.

Former Leavenworth Residents to Picnic

Former residents of Leavenworth city and county will get together for their first annual reunion at Brookside park, Pasadena, on Monday, November 12, Armistice Day, at 11:30 a. m. The reunion will be held in Section L of the park. Coffee will be served and those attending are asked to bring basket lunches.

NOTICE---

COLORADO BOULEVARD PROPERTY OWNERS

CO-EDS DEVELOP BULGES ON SHINS

Excessive Use of Automobile
Causes Malformation,
Educator Claims

SACRAMENTO, Nov. 1.—“Bulging shin,” developing on the right leg of young women students who use the automobile excessively, is the latest menace to California university and high school co-eds and may have a material effect on the length of skirts in generations to come, according to the startling announcement made today by Dr. Herbert R. Stolz, State Director of Physical Education.

“This unique malformation,” said Dr. Stolz, “makes its appearance from the knee down on the leg with which the school girl motorist steps on the accelerator.”

“Bulging shin” among school girls is much more prevalent than the lop-sided effect recently observed among co-eds at the state university and attributed to the fact that books are habitually carried on the same arm. The average co-ed spends more time each day driving a car than she does carrying books.

BELGIAN ATTITUDE

BRUSSELS, Nov. 1.—The cabinet has decided that Belgium shall not oppose German and neutral representatives at the international reparations conference, providing they act only in an advisory capacity.

Quarter Inch of Rain Recorded by Weather Observer

The showers that broke over Glendale yesterday afternoon and evening watered Glendale to the depth of .25 of an inch, according to the measurements shown on the instruments at the home of H. E. Bartlett, 333 West Broadway, the official weather man of the city.

During the afternoon the rain god tried himself out a few times in a more or less half-hearted way, but along about 5:30 he let go in earnest for a short time, and sent his final score up to the figure reported by Mr. Bartlett.

In spite of the small degree of discomfort caused by the rain, everyone seemed glad to see it after the long dry spell that has been experienced around here.

The rain seems to have been merely a Halloween prank, with its attendant thunder and lightning, for today has shown a brand of sunshine and fair weather that ranks with Southern California's best.

CHIEF AT W. C. T. U.

Col. John D. Fraser, chief of Glendale police, is to be speaker Friday afternoon at the meeting of the W. C. T. U. with Mrs. D. T. Keim at 342 West California avenue. He will speak on “City Officials and How We May Help Them.” A special music program will also be given.

Everybody in Salesmanship Club Has Payday at Close of Campaign on December 20

By J. A. MALCOLM
Salesmanship Club Manager

Men and women, boys and girls, who enter the Glendale Evening News gigantic salesmanship campaign will be amply repaid for the time and effort that they put forth when the 20th day of December rolls around, for that will be payday.

The pay will be in the form of prizes and cash commissions and everyone who enters and works is sure to receive a pay check for one of the prizes of a cash commission.

The Salesmanship club is just getting started and the first announcement of the names of those entered up to Friday evening will be announced in The Glendale Evening News Saturday afternoon.

There is plenty of room for you to enter and secure enough subscriptions to place you right in the lead of the entire campaign, for up to this time there is not a single club member who has turned in enough subscriptions to make one club of \$25, and surely any live hustler could get that much in one day if they would put forth the effort.

Opportunity Exists
The wonderful opportunity that exists for you should not be overlooked, for never again will you have the same chance to secure prizes in such a short time as is offered in this campaign. Here you can win prizes that ordinarily would take you months and even years to secure, and yet you are offered the opportunity to get into this campaign and win prizes that are worth thousands of dollars. Bear in mind that experience is

In order to further safeguard the campaign so that the workers will be the winners, the campaign will be brought to a close under a sealed ballot box and a committee of five well-known men will have complete charge. This insures everyone who enters an absolutely fair and square deal, and we guarantee you that money will not count in this campaign, but the ones who secure the most subscriptions will be the winners.

Come In, Talk It Over
If you have been thinking the matter over do not wait any longer, but make up your mind that you are going to enter and come to The Glendale Evening News office and talk it over with the campaign manager or one of his assistants. You have all to gain and nothing to lose by entering, so why hesitate? Make up your mind today that you are going to enter and work, and if you do this you will be surprised to see how rapidly the credits will roll up.

NEW RESTAURANT LAUNCHED TODAY

Edwards & Dennis Open
Doors of Chateau de
Qualite to Patrons

The opening of the Chateau de Qualite, the new cafe and confectionery that has been launched by P. M. Edwards and George B. Dennis at 508 East Broadway, marks the establishment of another important business venture in Glendale and affords the people of the city another high class place of entertainment that is to be conducted, the proprietors declare, along lines that will insure entire satisfaction to every patron.

The establishment already represents an investment of close to \$20,000, and before the final details are added it is expected that it will run well over that figure. All of the appointments are of the finest possible kind, the furniture being of high upholstered in Spanish leather, the steel ceiling and the Tiffany walls are decorated in cool, restful tones that appeal to the lovers of the beautiful, and everything has been chosen with a degree of good taste that reflects credit on the men behind the venture.

Gold Embossed Damask
The windows flanking the vestibule are lighted by a special arrangement that brings out the full effect of the panels that are decorated in gold embossed silk damask, and the same note is carried out in the back bars of the soda fountain and the candy counter.

Five of the most competent woman cooks obtainable have been employed to look after the preparation of the food, which is handled in a kitchen that is a model of compact arrangement and that embodies the latest word in modern methods and equipment.

One of the principal features of the new establishment will be the candy that is manufactured in Mr. Edwards' own factory in Los Angeles, and arrangements have also been made for the supply of an exclusive brand of ice cream for the patrons of the Chateau de Qualite.

Formal Opening Saturday
The cafe opened for business today, but the formal opening will be held Saturday, when special entertainment features will mark the program that has been prepared for the patrons who have had the foresight to make their reservations.

Mr. Dennis and Mr. Edwards last night entertained at dinner a number of their friends, in order to give them an idea, ahead of time, of the resources of the establishment and the manner in which the patrons will be cared for. Those in the party were Mr. and Mrs. Merrill D. Davis and their son, Merrill, Jr., Mr. and Mrs. Albert Marple and their son, Romney, and Ralph A. Lynd, all of whom are ready to endorse every claim made for the excellence of the cuisine and the service, as well as for the beauty of Glendale's newest restaurant.

POMONA COLLEGE DAY IS PLANNED

Glendale College Women's
Club to Entertain Alumnæ
At Tea On Saturday

Pomona College will be honored in Glendale Saturday afternoon, when the Glendale College Women's club will celebrate “Pomona College Day” with a tea at the Tuesday Afternoon club house, with Pomona College alumnæ members of the club receiving, and prominent Pomona college people as speakers and entertainers.

Honored guest of the club will be Mrs. James Arnold Blaisdell, wife of President Blaisdell of the college, who will bring a greeting from the college executive. The club will also entertain Dr. Bernard C. Ewer, head of the department of psychology, writer and lecturer on psychological subjects, who is going to talk on some interesting research work he has been doing. He will speak on educational and social psychology, showing the sex differences in the mind as they appear in school and life in general.

Talented Musicians
Another honored guest will be Raymond Moremen, Pomona College alumnus, former president of the college student body, and talented pianist and vocalist. Upon his graduation from the college in 1921 Mr. Moremen went to Turkey, where he was a member of the faculty of the International College at Smyrna. During the trouble with the Turks Mr. Moremen received world-wide recognition for his protection of the Armenian children. Press dispatches at the time told of his standing up before the Armenian children, facing the Turks and declaring that it would be over his dead body that one child was touched.

On Saturday he will tell briefly of his experiences in Turkey and will give piano and vocal numbers.

Other musical numbers will be given by the “Pomona College Alumni Quartet,” led by James Judy. They will lead in singing many of the well known Pomona songs. Included in the singing will be the famous Pomona “Ghost Dance,” and the college hymn, “Hail, Pomona, Hail!”

There will also be a brief historical sketch of the college given by a prominent alumnus. Hostesses of the afternoon will be Mesdames Walter Stamps, Robert Kolts, Paul E. Webb, W. L. Jencks and Miss Katherine V. Sinks.

The guests will be received in the Italian tea room. A cordial invitation to attend the meeting is extended to all Pomona College alumnæ or ex-students in Glendale.

Realtors' Signboards Shuffled by Witches

At least one detachment of the Halloween witches put in a busy hour or two last night, and when the cold, gray dawn broke in the east this morning the sun looked down on an assortment of real estate signs, planted in symmetrical rows on the lawn of the W. H. Verity home at 511 West Broadway, that would have led an observer to believe that the property was listed with every broker in town.

The signs ranged all the way from the small size with the agents' names up to one that resembled a section of a high board fence and that gave full details of the size of the lot, “everythin”—but the description failed to fit the place even in the remotest degree.

And this morning irate real estate agents have been shuffling the mass of signs over and trying to recover their own and remember where they were spirited away from during the night.

Pianiste On Program At Exchange Luncheon

The musical program at yesterday's noon luncheon of the Exchange club had for its feature Mrs. Willard Jackson, accomplished pianiste, who with her husband and little son were the guests of Bob Johnston.

Arthur Raymond Hill, soloist, of Los Angeles, and William Hatch, pianist, of Altadena, also contributed to the program, rendering “Ha-ha-ha,” “Bubbling Brook,” “Marcheta” and “Buckwheat Cakes.”

Announcement was made by President D. Ripley Jackson that the Community Band concert, fostered by the Exchange club, will be given at the Glendale Union High school November 15.

Glendale Hardware Co. Named Maytag Agents

H. J. Cox, manager of the Good Housekeeping department of the Glendale Hardware company, announces that his store at 601 East Broadway has taken over the exclusive selling agency in this territory for the “Maytag Gyrofoam Washing Machine,” one of the most approved washers on the market.

This machine is a complete laundry in itself, according to Mr. Cox, unique in construction and almost human in the work it does. The machine bears the Good Housekeeping star of approval. It is now on display at the Glendale Hardware company.

Hello, Central! Please Give Any Good Number Among 15,000,000 American Phones

Did you know that when you remove the receiver from your telephone and place it to your ear here in Glendale that you are placed in direct communication with 64 per cent of the world's telephones? Did you know that there are more telephones in the city of New York alone than in the whole of Great Britain?

This on authority of Fred Deal, local manager of the Pacific Telephone & Telegraph company, in a conversation with an Evening News representative, yesterday. European countries have 25 per cent of the world's telephones and all other countries eleven per cent. Thus the United States has nearly twice as many phones as the rest of the world put together.

Best Service in U. S.

“America has the best telephone service of any country in the world, in every sense of the word,” Mr. Deal declared, when asked for a comparison of this country's system with that of European or other civilized nations. “Telephone supremacy has never left the country of the birth of this most popular method of communication,” he continued, “and there are no present indications that it ever will.” The amiable manager of the Glendale exchange then went on to tell why America has the best telephone service, and how much better it is than that of other countries.

“The average American uses the telephone eight times as often as the average Englishman. In the course of a year, there are nearly one hundred and seventy telephone conversations for every man, woman and child in the United States as compared with only about twenty telephone talks annually per inhabitant in Great Britain.

Here Are Figures
“The Bell system serves two-

CALLS REALTORS TO MEET NOV. 17

First Regional Conference
Under Guthrie Regime
Comes to Glendale

The first regional conference of the realty boards of the seventh district has been called for Saturday, November 17, by Chas. B. Guthrie, regional vice-president of the California Real Estate association, when between 300 and 400 realtors from this district will meet in Glendale to discuss matters of importance to their profession, according to an announcement at the weekly luncheon of the Glendale Realty Board in Jensen's Egyptian Village yesterday.

The morning session will be devoted entirely to a consideration of the multiple listing system, and in the afternoon “Salesmanship” will have the leading place on the program, with time allowed for a general discussion of any other matters that the delegates desire to bring up.

Committees Named
E. P. Hayward has been appointed chairman of the committee on arrangements, Mrs. E. L. Poor, assisted by all the women members of the board, will have charge of the decorations that will be hung in the assembly room and at the luncheon, and J. I. Werette, with his committee, will be responsible for the luncheon.

This will be Vice-President Guthrie's first regional conference, and, in spite of many invitations he has received from other cities in his district, he has insisted on holding it in his own city of Glendale.

The consideration of a number of amendments to the constitution and by-laws occupied the afternoon session.

Heat!

That's a very important word just at this time. Heat! Have you all you need—all you should have—for the health and comfort of your family and yourself?

A Lawson Odorless Gas Heater is designed with one big purpose in mind. To give heat—lots of it—at low cost.

Added to this, a Lawson gives healthful heat—radiant heat—like that of the sun. Radiant heat means odorless heat.

It gives it with entire safety, too—there are no open flames to cause trouble. Compact. Powerful. And there's an economical size Lawson for every room.

Coal is scarce—and high. Why not make use of gas? It is economical fuel when you have a Lawson.

Come in and see us. We'll show you exactly what a Lawson will do in the way of supplying heat! We want to prove to you that the Lawson is the finest little gas heater in the world.

Diet and Health

By Lulu Hunt Peters, M.D.
Author of "Diet and Health, with Key to the Calories"

ANSWERS TO CORRESPONDENTS

Important!
Readers of this column are very many and very interested. They write many inquiries, which Dr. Peters is eager to have and very glad to answer when possible. But more and more they neglect to self-address envelopes for her reply.

Now, owing to the great number of inquiries received, we are sorry that it is no longer possible to make reply unless the simple rules of the column are observed. Hereafter if you expect a reply you must enclose a stamped envelope fully addressed to yourself, with your inquiry. Otherwise your letter will have to be destroyed and the postage (if sent) will be given to charity.—The Editor.

"Dear Doctor:
Have followed your instructions in the reducing booklet and have lost twenty pounds. Am still counting my calories and trying not to exceed 1,200, for I want to stay the way I am. Will you kindly write something on drinking or eating very hot foods? I do not seem to enjoy my tea, coffee, soup, etc., unless it is steaming hot. It surely must be injurious to the stomach. —I. S."

Yes, Mrs. S., it certainly is injurious to the stomach. The Mayos believe that the eating of too hot foods over any length of time may cause an inflammation which may go on to ulcer and ultimately to cancer. Now I think you will pause a little in your fire eating.

If your present weight is your normal weight, you should be able to eat more than 1,200 calories and still not gain. If you are still overweight a few pounds, those few pounds seem to act as a starting point for more pounds, and you have to continue on the low rations until they are gone. Did you combine some exercise with your reducing? You should do that.

Be sure you are getting sufficient protein and vitamins and mineral elements in your reducing diet.

A.: There is probably no danger to a baby from a tuberculosis patient in the same house if the patient lives in a room by himself and never handles the baby; if his dishes, towels, etc., are not mixed in with the family lot, and if all other precautions are taken so that his sputum and excretions do not contaminate articles that would be handled by anyone who handles the baby. This means very great vigilance.

The blackheads on your baby's

face will probably disappear as he grows older. Meanwhile wash them gently with Castile soap and warm water, and squeeze out the larger ones with a comedon extractor.

M. H.: At 16 years of age, at a height of five feet the average weight of a girl is 103, but it is better to be a little over the average at that age than under. If you weigh ninety-three you are fifteen pounds under the average weight. This is probably the reason that you shiver and shake for two or three hours after going in swimming. You should not continue to try to learn to swim until you get your normal weight.

Yes, sometimes very long, thick hair does seem to cause headaches and "take away the strength." We must consider that this is so because many times having the hair cut seems to improve the condition. However, if you do not want your hair cut see first if you cannot gain your normal weight by resting more and living more hygienically, perhaps, and increasing your food.

My dear, you have a lot of time for that ambition of yours to be an author. You ask me what I advise you to take to realize that ambition. Just now I advise you to stop studying so much as you are doing, and forget that ambition until you have built up your physical condition.

Mrs. S.: How is your daughter's posture, and her general condition? Very often stooped shoulders and prominent abdomen—the fatigue posture—will cause a displacement of the internal organs so that the menstrual periods are painful. Do not give any patent medicines for this condition, for they will not help in the least. Send for our article on the Atonic Abdominal Wall, also the one on constipation and the one on gaining weight. Enclose a stamped, fully addressed envelope and 4 cents in stamps for the gaining pamphlet.

Have your girl take some active physical exercise, the so-called setting-up exercise. This, with a liberal diet of wholesome foods and other hygienic measures which will improve her general health, will probably overcome her menstrual difficulties. If this program does not do it, you must take her to a specialist for a diagnosis and treatment.

Tomorrow—The Confession of a Baby.

DAILY FASHION HINT

Prepared Especially for The Glendale Evening News

FRILLS LEND FASCINATION

There's style in frills and flounces, and here one finds double proof of the fact. To the left is a model in dark-blue flat crepe stitched with fancy braid. The dress is slashed and closed at the center-front, the neck and sleeves being bound with braid. If preferred, cuffs may be added to the sleeves. The flounces on the front of the skirt may be plain or plaited. They are also bound with braid. Medium size requires 3½ yards 40-inch crepe and ½ yard 36-inch lining.

Caramel-brown crepe fashions the second dress, the neck and sleeves of which are of plaited self-material. If desired, this model also may be trimmed with flounces, for it is designed to be developed as pictured or with five narrow frills on the skirt. An Oriental ornament finishes the narrow, straight belt at the front. Medium size requires 3½ yards 40-inch material.

First Model: Pictorial Review Dress No. 1682. Size, 34 to 44 inches bust and 16 to 20 years. Price 35 cents.

Second Model: Dress No. 1695. Sizes, 34 to 44 inches bust, and 16 to 20 years. Price, 35 cents.

Heart and Home Problems

By MRS. ELIZABETH THOMPSON

Dear Mrs. Thompson: Ever since I can remember I have been forbidden to go with certain girls. I am now going once in a while with a girl whom my father objects to on account of trouble between her father and mine. We are of the same religion, but do not agree on certain congregational matters. I am eighteen years old. Am I not old enough to choose my own girl friends? Until two months ago I went with a girl who lives across the street from my home. We were friends for about two years. One evening she saw me out with her boy friend. She told my sister she would have nothing more to do with me, and so far has made no move to break her word. I like this girl very much and would like to be friends once more. Is it my place to apologize? If so, how shall I begin?

A. J. K.: You are old enough to choose your own girl friends. You are also old enough to realize that your parents are deeply concerned in the friends you choose and would like to spare you from making mistakes. Do not be obstinate in your decisions and when you oppose your parents be very sure that you are just in the matter. It would be an undesirable friendship merely to have your own way, regardless of the wishes of your father and mother.

You might write your former stamped and self-addressed envelope must be enclosed with the question. Be sure to use your full name, street number, and the name of your city and state.—The Editor.

girl friend a note and say that you have missed her friendship very much in the last two years. Say that you are very sorry you offended her.

Dear Mrs. Thompson: I wish to enquire how to be popular among my girl friends. In what way and what manner and what words should a boy express his thanks when he takes dinner with his girl friend at her home? Whom should he thank, the girl or her mother? Should he thank them before or after he eats? Should he accept every time he is asked?

WANDERING RUFUS. Before leaving the house where he has been entertained for dinner, a young man should thank the girl's mother for the pleasant time he has had and say that he appreciates her having invited him. He should also express his appreciation to the girl when departing.

It is all right to accept all of the invitations. You should, however, repay the kindness by taking the girl to dinner at a hotel or good restaurant. It would also show appreciation for the hospitality shown you if you invited the girl's mother to accompany you to lunch or dinner.

GERTRUDE M.: Go to a librarian and tell her what you have told me. She will select reading matter for you. I think you are quite right in wanting information.

Dear Mrs. Thompson: I have a baby a year old who has blue eyes. Her father has wonderful big brown eyes, while I have hazel eyes that is between a gray and a blue. Could you tell me why my baby's eyes differ from ours? Is it possible they will change in color as she grows older? Is there any way of changing the color?

DOUBTFUL. Probably your child gets her blue eyes from your side of the family. It is a rare thing when a brown-eyed person marries someone with blue, gray or hazel eyes to suit yourself.

BEAUTY CHATS

by EDNA KENT FORBES

HOME MADE COSMETICS

A particularly good mouth-cleansing solution is potassium permanganate water. This is nothing but ten grains of potassium permanganate dissolved in one-half litre of distilled water. Both these ingredients can be purchased cheaply at any drug-store. The potassium dissolves readily and gives the most beautiful violet-color solution. A few drops are to be added to a glass of water, and the mouth thoroughly rinsed. A little should be gargled as well. Afterward the teeth should be brushed. Potassium permanganate leaves a brown stain if it falls on any sort of material, and even on the skin, but it is such an excellent antiseptic that many people will not be without it.

Here's a home-made dye: Take fifty grams of crushed walnut shells, four grams of powdered alum and thirteen grams of rose water. Pour the rose water over the shells and mash them well together in an enamel pan. Pour off as much liquid as you can squeeze out of this mixture (for convenience put your shells in a muslin bag). Measure the amount of liquid and add one-third that amount of alcohol.

Let this mixture stand four days in a covered vessel, strain off through muslin into bottles. This is a thoroughly harmless brown dye, but it has one disadvantage, it stains badly. It should be applied to the scalp with a brush and the fingers should be smeared with cold cream while the stuff is being made.

I would recommend this rather for touching up gray hairs than as a dye for the whole head. Putting in a tablespoonful of salt

with help set the color, but a little is bound to wear off on such things as hat linings. Its greatest virtue is its perfect harmlessness. Enough tincture of benzoin added to a bottle of water to make a strong milky solution is a good astringent to pat over the face after washing.

C. A. M.: It is possible that a liver spot would yield to frequent applications of peroxide. At 16 years, five feet three inches, your weight should be between 110 and 115 pounds.

Sweetness: The cosmetic value in with hazel is its astringent tendency, beside which it is soothing. A Reader: Your treatment for dandruff is correct. As there is nothing better than giving the scalp a massage with oil some hours before the shampoo, rubbing the yolk of an egg into the scalp before shampooing is also an excellent dandruff treatment. The actual shampooing with tincture of green soap, however, should only be given if the hair is naturally very oily. If your hair is in this condition you are doing the right thing.

Miss F. H.: At 19 years, five feet in height, your weight should be between 110 and 115 pounds. Tomorrow—Foot Treatments.

All inquiries addressed to Miss Forbes, in care of the "Beauty Chats" department will be answered in these columns in their turn. This requires considerable time, however, owing to the great number received. So, if a personal or quicker reply is desired, a stamped envelope must be enclosed with the question.—The Editor.

With the Women of Today

By MRS. LILIAN CAMPBELL

Women postmistresses are not new. Since early times women have filled these positions satisfactorily. The smaller towns, having usually been the ones to utilize woman's ability in this line of endeavor.

Now, however, a woman has been appointed to an important place in a first-class office. Miss Ella H. Snyder was recently appointed as assistant postmaster in the office at Indianapolis. She is said to be the first woman so appointed.

Miss Snyder rose from the ranks to her present post. She is well known socially throughout Indiana.

pointed as assistant postmaster in the office at Indianapolis. She is said to be the first woman so appointed.

Miss Snyder rose from the ranks to her present post. She is well known socially throughout Indiana.

WOMEN RECEIVE EQUAL REPRESENTATION
Republican women of New York state were recently given equal representation with men on the Republican state committee, which seven additional women members were added.

In addition to Mrs. Arthur L. Livermore, Mrs. Douglas Robinson, Mrs. Charles H. Sabin and Miss Florence Wardwell, who are already members of the committee, the following were appointed: Miss Helen Varick Boswell, Manhattan; Mrs. Faith Moore Anderson, New York City.

draws, Brooklyn; Mrs. Frederick Bruyn, Albany; Miss Mary Chahoon, Ausable Forks; Mrs. Florence E. S. Knapp, Camillus, and Mrs. Joseph Rieger of Dunkirk.

1,500,000 INARTICULATE
In America there are 1,500,000 unable to speak the English language. There are 3,000,000 more who cannot read it.

DIVORCE STATISTICS—
One divorce to 7.4 marriages in the United States last year is the record disclosed recently by the census bureau's marriage and divorce survey at Washington, the first since 1916. In that year there was only one divorce to 9.3 marriages. There were one-fifth more divorces and about one-fifth fewer marriages per 100,000 of population last year than in 1916. These statistics include figures for every state.

Maryland led in the marriage rate. Arkansas was second, Florida third, and Mississippi fourth. North Dakota had the lowest rate. Texas led the country in the number of divorces in 1922. Illinois was second, Ohio third and California fourth. South Carolina reported no divorces as its laws permit none.

ODD BITS ABOUT WOMEN
Although she is only seventeen years old, Mlle. Crolard is a piano virtuoso of note, according to French critics, and is soon coming to tour the United States.

Parisian art colonies have acclaimed Miss Vyvyan Donner the most beautiful American artist in Paris.

Miss Margaret H. Kidd is Scotland's first woman lawyer.

Almost one-tenth of the congress in Finland is composed of women.

Turkish women are forbidden to dance in public.

Mrs. Brown was bathing her baby, Boston Transcript reports, when a new neighbor's little girl came into the room carrying a doll. She watched the process for a few minutes and then said: "Mrs. Brown, how long have you had your baby?"

"Seven months, dear," answered the mother.

The little girl stole another glance at her doll, which was very much battered and minus a leg and an arm.

"My, but haven't you kept it nice!" she said with an envious sigh.

If it's your liver, see a doctor; if it's your liver, see a mechanic.

Radio Cake: (Easy to make in a hurry). Sift together one and one-half cups of bread flour and two level teaspoons of baking powder; put this mixture into a mixing bowl and stir into it one cup of granulated sugar. Now fill a cup one-quarter full of softened butter and also put into this cup two eggs; mix till well-blended, then fill the cup to the top with sweet milk (using about one-half cup of milk). Turn the cupful of ingredients into the dry mixture in the bowl, and beat well. Add one teaspoon of vanilla and turn all into either small buttered loaf-cake pans or bake in a sheet, having the oven not too hot (fifteen to twenty minutes of baking). Frost with the following:

Radio Cake Frosting: Melt, on the back of the range, together, one cup of confectioners' sugar, one cup of butter; add to this mixture two tablespoons of strong coffee, and beat till creamy. Then add two teaspoons of dry cocoa-powder and continue

to beat till it is thick enough to spread on the cake. Finely chopped nuts may be added if liked, or grated cocoanut.

Lemon Sponge Cake: Beat four egg yolks well, then mix with them one cup of granulated sugar and the grated rind of one lemon. Also add one tablespoon of lemon juice. Beat four egg whites stiff and begin adding them to the mixture alternately with one cup of flour (that is, mix in one-third of the flour, then a little of the beaten whites, then the rest of the flour, followed by the remainder of the whites). Turn into an unbuttered angel-cake tin or a square tin. Bake forty-five to fifty minutes in a slow oven.—Contributed by Mrs. W. N.

Apple Sauce Cake: Cream together one-half cup of butter and one and one-half cups of sugar; add one teaspoon of ground cinnamon and one-half teaspoon each of ground nutmeg and clove, one tablespoon of cornstarch and three tablespoons of dry shaved chocolate or cocoa powder. Now stir in two cups of cooked apples and two cups of flour which has been sifted with one teaspoon each of baking powder and soda. Bake in two layers for thirty minutes in a hot oven—or in one loaf for about forty minutes.—Constant Reader.

SPORTS

THREE TEAMS FOR LONE DIAMOND!

Caseys, Athletics, Glendale Triple A Nines to Play On Park Ave. Lot

An agreement was reached yesterday whereby the local K. C. team, Glendale's entrant in the San Fernando Valley League, as well as the Glendale Athletic club organization, will use the park being built for the local Triple A organization. This announcement was made this morning by Manager Frank A. Kerwin. These two teams may avail themselves of this opportunity when the leagues are on the road. Should two of the three teams be playing at home the same day other arrangements will be made. This no doubt will be a welcome announcement to local fans, as it will assure them good, fast ball this winter.

After Players
Captain Mike Dolan of Glendale is in daily conference with Manager Kerwin and every effort is being made to give the locals a representative in the league of which they need not be ashamed. Telegrams are being exchanged with "Doc" Crandall's brother in Indianapolis, urging him to come and receive the pitching assignment for Glendale this winter. It is highly probable that he will accept.

The major leaguers that appeared in local uniforms last Sunday against Pasadena will tackle the Shell Oil team at Signal Hill Sunday. This game should draw a record crowd as the Shell Oil is known as one of the fastest outfits in this part of the state. The game scheduled for Saturday against a fast colored team from Los Angeles is still undecided, but arrangements for this tilt will probably be concluded today.

Pacific Coast Jockey Club at Tanforan

TANFORAN RACE TRACK, SAN BRUNO, Cal., Nov. 1.—Final preparations were being rushed today for the opening of the twenty-five-day meet Saturday of the Pacific Coast Jockey club, which will mark the re-introduction of the "king of sports" in California on a "betless" basis.

The jockey club is making arrangements for a crowd of 30,000 to see the inauguration of the meet. All reserved seats have been sold for Saturday, it has been announced.

Henry Morrissey, official starter, arrived yesterday, and it was announced that Presiding Judge W. J. Morrison and his associates, Walter B. Jennings and Lee J. Roos, would pass tomorrow on the trainers' and jockeys' licenses to participate in the meeting.

The posting of weights for the inaugural handicap was expected yesterday. It is being watched with great interest as it will determine how many will go to the post Saturday in that event.

FOOTBALL VICTIM

ST. JOSEPH, Mo., Nov. 1.—Howard Walton, 17, is dead today in a local hospital from injuries received in a football game at Maysville, Mo., last Friday.

ALL ROCKNE NEEDS IS A FEW UNIFORMS; HE'LL WHIP 'EM INTO A GREAT GRID TEAM

Glendale Pigskinners to Invade Monrovia

Glendale Union High school's middleweight football team sweeps into action again this afternoon when they invade the town of Monrovia to play the baby "Wildcats." Although the local were defeated last Thursday, they still have hopes of the league championship, as they have yet to play the present league leaders, Covina and Alhambra. In case they beat both, a dual tie will probably be the result.

The local midgets lost the fracas with Citrus last Friday on flukes. In actual playing the Glendale 120's made more yards than their opponents, but the lemons held whenever the Red and Black crew looked dangerous.

Coach Howard L. Butterfield has been drilling the pigskinners strenuously the last few days, and expects to have his team in perfect condition when it takes the field today. The same line-up that faced Citrus will start. Thomson and Jonkey, ends; Worley and Reed, tackles; Heideman and Green, guards; Muff center; La Franchi, quarter; Shuler and McAllister, halves, and Lovell full-back.

USE MUCH CURRENT

According to government figures electricity is furnished to 40 per cent of the total area of Sweden.

Notre Dame Eleven Built by Man Who Knows and Does His Stuff

Whatever may befall the Notre Dame team in the coming weeks, Knute Rockne, coach of the Irish lads, may well be called the wonder man of the 1923 grid season.

For this plump and smiling coach has whipped a formidable team (ask the Army) out of the remnants of a club—a handful of uniforms, so to speak. Last fall wholesale barring of players on charges of professionalism wiped his team off the map. This year Notre Dame adherents expected him to go seriously about rebuilding the club with little thought of continuing the success that has been the team's for several seasons, led by such brilliant players as George Gipp, Johnny Mohardt and Paul Castner. Instead of that Notre Dame looms stronger today than it did a year ago.

Rockne won his football spurs as a player at the Indiana institution. He played at end and with such brilliancy that he won all-American fame. His uncanny ability to read and dissect coming plays of his opponents formed a part of Notre Dame's success in his playing days. He had the ball catalogued, and the man partly nailed, so to speak, before the ball was put in play.

He played in the days when the tackles were flying ones. He was a second cousin to a jitney airplane, his old teammates will tell

you, when it came to leaving the ground and, after a flight of part of the length of the field, grabbing the runner about the knees. Returning to Notre Dame as coach, Rockne seemed blessed with the ability to teach this uncanny mind reading to his players. Under him the Notre Dame teams have been masters at strategy, defensive and offensive.

He developed Gipp, Mohardt and Castner. And this year he has Jim Crowley, a backfield man, headed for the same niche in the hall of fame.

To Rockne, also, must go part of the credit for the wonderful strides the west has made in football of late years—a pace so hot that the eastern teams are losing their prestige steadily before the onslaughts of the teams toward the sunset side of the country.

WALSH CYNICAL ON CONFERENCES

Suggest Some Texas Teams Get Into Football Game for Southern States

By DAVIS J. WALSH
International News Service Sports Editor

NEW YORK, Nov. 1.—Contrary to the lamentable case for some years past, the East has taken the lead in inter-sectional football, at least as far as the number of victories is concerned, and seems destined to hold it until further notice. For which it can thank Southern colleges, which have sent many teams into this district during the present season, and no winners.

Figured solely on an East vs. West proposition, the honors lie with the section where men are men or nothing at all, largely due to the fact that Notre Dame has completed successful sorties against the Army and Princeton.

Quantity, Not Quality

Notre Dame has done most of the inter-sectional playing and most of the winning. As late as Saturday it added to its Princeton and West Point successes with a victory over Georgia Tech. The current supremacy of the East, however, is rated more on quantity than quality. There was slight occasion for immoderate applause about the victories of Yale over North Carolina and the Army over Florida, for example. These were anticipated results, as matter of fact as a bill of lading. So was the victory of Washington and Jefferson over Washington and Lee, to say nothing of Colgate's triumph over Ohio Wesleyan.

Considerably more noteworthy, however, was the defeat of Detroit, long a Western leader, by W. and J. and the wholly unlooked for joy ride of Pennsylvania at the expense of Centre college. There was substantial prestige involved in these returns.

Why Not Texas Game? Of no minor consideration, either, was the defeat of Alabama Poly by the Army, although it is a pretty well established fact that Poly is not so strong this year as in other seasons.

In fact, several teams, notably Texas, seem more qualified to carry the banner for the South than those that were hooked up in inter-sectional games to date. The schedule was closed on the basis of past performances, and because of this fact Centre college and Georgia Tech received recognition as representative teams. Unfortunately, neither are, apparently.

Gunny bags of a coarse jute fabric are made in over fifty factories in India and these employ 125,000 persons.

'MY OWN' ENTERED IN LATONIA RACE

Upset of Dope Predicted as Turf Stars Compete for \$50,000 Stake

By JONATHAN BROOKS
For International News Service

CINCINNATI, Nov. 1.—Don't get the idea that \$50,000 Latonia championship, to be run November 3, is going to be one of those two-horse affairs. Zev, conqueror of Papyrus, and many other thoroughbreds of lesser note will start. So will My Own, bitter rival of the Sinclair colt. The race will offer opportunity for a settlement of the argument that has been raging for weeks—viz, which horse has the more foot. But that does not mean that it will be a two-horse race, by any means.

Kentucky is no respecter of other folks' horses, even if these horses, like Zev, come from the Blue Grass. Last year, Latonia was all ribbed up for a two-horse race between Morvich and Whisk-away, only to see Thibodeaux whip Morvich and collar Whisk-away for a brilliant, if losing, battle in the stretch. This year, Kentucky sorta figures on another upset.

Upset Scheduled
In Memoriam, handsome bay son of McGee and Enchantress, owned by Carl Wiedeman, of Newport, is picked to do the upsetting. This colt, fast and a stayer, was touted to win the Kentucky derby last spring, but turned up slightly off edge and fell down on the job. Through the summer, Wiedeman has had him in the hands of R. J. Gilmore, acknowledged a kingpin among trainers.

Since Gilmore has had the colt in Memoriam has won several good races, and won them impressively. Two weeks ago he finished second to the imported five year old Chacoleit, in the \$50,000 Kentucky Special. He would have won it if Jockey Barrett had not been so busy watching Shuffle Along and Knobbs inside him on the rail, that he could not see Chacoleit whistling along outside and finishing behind were Cherry Pie, Untidy and other good ones.

What Kentucky Likes
That race at a mile and three sixteenths was run in 1:56 3-5, which is very tidy time. Since then, Gilmore has been busy nursing In Memoriam along for the race on November 3. Wiedeman proclaims his McGee colt the best three year old in the land, Zev and My Own especially included. He has offered to wager a large sum his colt can beat the other pair and has refused to sell In Memoriam for any amount of money.

Kentucky likes In Memoriam. Kentucky also likes Enchantment. Harry Payne Whitney's colt, of which much was expected at war, is this time the favorite. If Enchantment is right, at least, he should be very much in the running. Kentucky likes them and some others because this race is to be a mile and three quarters, which is an awfully long race, and because the Blue Grass still rises to believe that Zev is a real bred-in-the-bone distance runner.

It would not be at all surprising, since In Memoriam is so well regarded, if Zev turned out to be third choice in the wagering, for My Own, despite the fact that he has never raced in these parts, is highly favored.

Shower Halts Soccer Game at Wilson Ave.

A snappy game between the senior soccer team at Wilson Avenue school and a visiting team from Pasadena Military academy was in progress yesterday with a score standing 2 to 0 for the home team, when the sudden downpour brought the game to an end. Frank Wycoff and Carroll Light kicked the goals. W. F. Hanson of Wilson and the coach accompanying the visitors refereed.

Smoke-up Battle for 'Contender' Friday

NEW YORK, Nov. 1.—The business of building up the "bird" for what promises to be the greatest money year for the heavyweight list, will begin at Madison Square Garden tomorrow night when Floyd Johnson and Jack Renault meet for 15 rounds or less. Neither is a first-class contender but the man scoring a knockout would become one automatically, if not actually.

The pair in question are second raters today, but one of them may be hailed as a champion-in-prospect tomorrow. It is in this promiscuous manner that affairs of the list are conducted.

Exterminator to Run on Tia Juana Track

SAN DIEGO, Nov. 1.—Exterminator, "king" horse of the American turf, is to be returned to active racing after an enforced retirement of two years, due to lameness. Willis Sharpe Kilmer, his owner, has consented to send the star to Tia Juana this winter, where he will be entered in the Cofroth handicap and other stake events, according to a telegram received here.

A dreamer carries the burden, the world enjoys the fruits.

MARVIN SMITH, Sales Manager

Should Freight Rates Be Reduced at the Expense of Good Service?

Editorial in Chicago Tribune, August 25, 1923, entitled "Freight Rates and Commodity Prices."

The head of the Carnegie Institute at Pittsburgh told a gathering of farmers that if the manufacturers of machinery, clothing, house furnishings and other commodities would reduce prices 2 per cent this would reduce the farmer's expenses as much as a 25 per cent reduction in freight rates. So would a reduction of 1 per cent in interest on loans. "The trouble with that proposition is that the freight rates may be reduced—possibly—by political pressure; commodities and interest not so readily. "But that is a consideration the farmers will ponder very carefully, if they look to the future. They may be able to force a reduction in freight rates by using their influence upon the machinery of regulation, but if that reduces the efficiency of transportation the immediate advantage will be swallowed up sooner or later, probably sooner. Regulation, unless it is constructive, unless in the long run it builds up the railroads, is not in the farmer's interest. As his political leaders do not discuss that much, it is up to the farmer to look it up for himself. Just freight rates should be worked for, but a rate that is inadequate to the carrier is not just to the farmer, though he may think it is until he begins to pay the price of inadequate service."

A railway rate reduction sufficient to enable a shipper to make a substantial saving on a freight bill would, if made effective now, impair the earning power of every western railroad and threaten the solvency of some. All that a railway buys—labor, coal, forest products, steel articles, etc., still range at peak prices, and rates cannot safely be lowered until there is a reduction in these costs.

Eighty-eight cents of the railway dollar is required for wages, fuel, supplies, taxes and rentals. A 10 per cent rate reduction would wipe out all profit and injure the credit of lines which have nothing saved up for a rainy day.

The Government turned the railroads back to their owners in 1920 with an average operating deficit of \$45,000,000 a month, which had been paid from the Federal treasury. Now, the railroads have no such recourse.

The increase in railroad freight rates is less than the increase in other prices.
In January, 1923, the average freight rate of the western railroads was only 36 per cent higher than in 1913, while the average wholesale price of all farm products was 42 per cent higher and the average wholesale price of all commodities 56 per cent higher.

Fluctuations in prices for farm products cannot be laid at the door of the railroad, since between June, 1922, and June, 1923, under the same transportation conditions, wheat declined 10 cents a bushel in price and corn improved 19 cents.

The depressed condition of the farmer, and particularly the wheat grower, has been of great concern to the railroads, as well as to the public, but happily all signs point to a material improvement. "The estimated income of the farms of America for 1923 is a billion dollars in excess of their income in 1922." (Advertisement, The Capper Farm Press, October 8, 1923.)

And the last annual report of the Interstate Commerce Commission says: "Manifestly, existing rates are no longer interfering with the free flow of commerce as a whole."

Give the railroads a chance. Don't lessen their usefulness by impairing their earning power. They are spending more than a billion dollars this year, not from earnings but of new money, to put their properties in condition to better serve the public and to prevent car shortages—this because they believe in the inherent fairness of the American people and their willingness to pay what good service is worth. Starved railroads, like starved horses, cannot do good work. It is axiomatic that compensatory rates with good service are far preferable to cheaper rates with poor service.

Constructive suggestions are always welcome.

Omaha, Nebraska,
November 1, 1923.

C. R. GRAY,
President.

TODAY—Chicago's Struggling Cabarets; the Effort to Run Without Booze.

By ROLAND KREBS.
For International News Service

CHICAGO, Nov. 1.—Chicago cabarets are trying to prove that they can exist prosperously even if liquor is taken away from them, although all are more eager to demonstrate that they fare much more prosperously if the guests are permitted to take a covert "touch" or two under the tables.

Night after night they are being raided with monotonous regularity, yet they open their doors cheerfully and hopefully each evening and struggle along in some way.

The cabarets, of which there are hundreds of all types, are among the most interesting things about Chicago. Life within their walls does not get going full blast until 2 o'clock in the morning, and then it throbs until dawn.

Some are so gorgeous that they might be mistaken for ballrooms. Others are common and vile.

When the Police Department announced it was going to close up places where liquor either was sold or trickled from lips, all Chicago grinned and said: "More blarney!" Everyone thought that raids, if any developed, would be confined to the "black and tans" of the South Side.

Instead, police descended one Sunday morning on perhaps the most expensive and elaborate place of all—"The Tent."

Men and women, some sober, were bundled into patrol automobiles and stuffed into dirty cells despite loud protest. "The Tent" was closed for several weeks. Its beautiful colored lights went out, its "divine" orchestra was

hushed, and no more big balloons bob upon dancers while beams played upon them.

Soon after it opened again, however, more gorgeous than before.

Next Bert Kelly's "Stables," supposedly immune to rum snifters, was raided. It was closed, but hopefully opened again.

The less elaborate places were visited next. One was "The Derby," another "The Poodle Dog."

Others were raided night after night. But their courage is infinite. Last anyone get the wrong idea they hasten to advertise that they are still operating.

One of the few—and it is down town in the "Loop"—that has escaped serious molestation is "The Friars' Inn," operated by a cigar chewing gentleman named Mike Fritz. It does a thriving business, one reason for which perhaps is that it is greatly favored by visiting theatrical folks. Many celebrities like it.

When dawn feels its way over Lake Michigan taxicabs stand outside "The Friars" like a funeral cortege to cart home the merry-makers who come tumbling out.

One popular North Side cabaret has a packing box, measuring approximately three feet by three feet by five feet, that each morning is pretty well filled with empty bottles of all descriptions when it is time to close.

Seemingly, gay Chicagoans don't mind "standing for a pinch" in the least, because it is done so much that it really is quite the popular thing to do.

Checks and Money Continue To Reach The Evening News Office for Fire Relief Fund

Subscriptions to the fund being raised for the families of Clarence Edwards and Joseph W. McGahan, who lost their lives fighting fire, continue to come to The Glendale Evening News office.

A most substantial contribution to the fire relief fund made last night was that of the Fox-Woodsum Lumber company, 714 East California. The lumber company brought its check for \$100 to The Glendale Evening News with the request that it be placed in the fund.

The committee to administer the fund is composed of Mrs. Daniel Campbell, president of the Tuesday Afternoon club; Spencer Robinson, mayor of the city of Glendale; Chalmers Day, commander Glendale post, American Legion; W. S. Ingram of The Glendale Evening News.

The following is the complete list of those who have subscribed through The Glendale Evening News:

Uncle Wiggily Bedtime Stories

— BY HOWARD R. GARIS —

UNCLE WIGGILY AND THE CHESTNUTS

Once upon a time Nurse Jane Fuzzy Wuzzy said to Uncle Wiggily: "I wish you would take the parlor rug out on the clothes line and beat it as hard as you can." "Why," asked the bunny rabbit gentleman, "has the parlor rug been bad that you want it beaten hard?" "Nonsense!" squeaked the muskrat lady housekeeper. "I want the rug beaten because it is full of dirt that must come out. Beating is the only way to get dirt out of a rug."

It shall be done as you desire," answered the rabbit gentleman, speaking like some one in the moving pictures.

So Uncle Wiggily took the parlor rug out on the clothes line and with his red, white and blue striped rheumatism crutch, Mr. Longears began knocking out the dirt.

Pretty soon along came Jackie and Peetie Bow Wow, the puppy dog boys.

"Wuff! Wuff!" they barked most politely to Uncle Wiggily. "Come with us and have an adventure!" the puppy dog boys called.

"Oh, I can't," said Mr. Longears. "I must stay and beat the dust out of the rug."

"Oh, come on! Let the rug stay!" begged Jackie. "We are going after chestnuts and we're going to roast them in a camp fire until they get soft and brown and you can eat them then, Uncle Wiggily."

"I'd like very much to go," spoke the rabbit gentleman, gently twinkling his pink nose, "but I must finish beating this rug."

"Peetie," "Come on Jackie!" he called to his brother, "let's help Uncle Wiggily beat dust out of the rug and then he will come chattering with us."

"How can you puppy dogs boys beat dust out of a rug?" asked the bunny rabbit gentleman.

"With our tails," answered Jackie. "We'll stand close to the rug and flap our tails against it. Then you will see the dust fly."

So the puppy dog boys stood close to the rug as it hung on the line. They flipped their tails and they tapped their tails and they whacked their tails—bang—thud—whack.

Out flew the dust and soon the rug was clean.

"Please, Nurse Jane, may I go chattering with Jackie and Peetie now?" asked Uncle Wiggily.

"Yes," answered the muskrat lady, "since the rug is cleaned you may go." So Uncle Wiggily went chattering with the puppy dog boys.

Over the fields and through the woods they went and soon they reached some chestnut trees.

"Oh, what a dandy lot of nuts," barked Jackie, for they had found a jolly good place. Chestnuts do not grow everywhere, and in woods where there used to be many there are no more. But the two puppies and Uncle Wiggily, with their tails and as a reminder nine little schoolmates were invited to help him celebrate.

Rev. Bede Johnson, who recently came to Glendale, appointed as first minister to the First Methodist church, was tendered a warm welcome to his new field by the members of the church and congregation.

When good judgment wields the knife, oft' good judgment saves a life.

When Autumn leaves are gold and brown, Old pneumonia comes to town. Then we pull our windows down To catch it.

Q.—Will you please recommend some good hair remover? A.—Try some of the Restorers.

If you are in good health at fifty any insurance company will be \$10,000 against an annual premium that you'll reach seventy. The odds are in favor of the company.

California Oil Lease
Only Verbally Okehed
WASHINGTON, Nov. 1.—Testifying before the senate public lands committee on the leasing of oil lands in naval reserve district No. 2 in California to the Honolulu Consolidated Oil company, Assistant Secretary of the Interior Finney said there was no record in the interior department of the late President Harding having approved this lease, as required by law. He was of the opinion that verbal approval had been given by the president to Secretary of the Interior Fall.

To adopt a principle that bears no interest is purely a self-centered one.

Mott Succeeds Weeks As Rail Board Expert
SAN FRANCISCO, Nov. 1.—Announcing this afternoon that H. G. Weeks, transportation engineer of the state railroad commission, has resigned, effective today, to become assistant to the general manager of the Los Angeles Railroad company. He had been with the commission since 1913, during which time he had handled many important transportation problems, including the Los Angeles terminal and grade crossing elimination cases. He is succeeded by A. G. Mott, assistant transportation engineer for the past three years. Mott, a Stanford graduate, was with the Southern Pacific for eleven years before coming to the commission.

Who's Who in the Day's News

GOV. WALTER M. PIERCE
A movement is now on foot in Oregon to recall Governor Walter M. Pierce. The origin of the plot is a mystery. Ku Klux Klan members deny that organization is interested in it. Pierce's friends say that "business" and the Klan are behind the move.

If Governor Pierce is recalled Oregon will be the second state in the union to invoke such a law. North Dakota was the first.

The Oregon executive has had a remarkable career. Thirty or thirty-five years ago Pierce, then a school teacher in Illinois, decided to go farther west and settled in Oregon. He got a job in Umatilla county as a school teacher; later he practiced law and "mixed" in politics in Pendleton.

He became interested in stock raising and farming and at one time his farm and cattle holdings and his interests in public utilities and a health resort were estimated as being worth upwards of \$250,000. Later he lost his fortune and then recuperated at last part of it.

He has served two terms in the Oregon senate and ran once for U. S. senator. He ran for governor in 1918, but was defeated. He was elected in 1922.

This election was one of the bitter ones in the history of the state. Ben W. Olcott, then governor, sought re-election at the Republican primaries. He had warred against the Ku Klux Klan and attacked it repeatedly during the primary campaign. When he defeated Charles Hall in the primary the Klan forces were ready to swing away from the Republican party and backed the Democratic candidates. Pierce publicly announced his support of the Klan and was elected by an overwhelming majority. Soon after elected, however, he was at loggerheads with the Kluxers.

During the campaign he publicly endorsed a bill, then awaiting action, which provided that all children between eight and sixteen years of age must attend the public schools after September 1, 1926. This was a blow at paro-

chial and private schools. The bill was passed later and a court fight is expected over its enforcement. Pierce's enemies say that after his election he repudiated support of the measure, stating he "had to boost it" to get the Klan vote.

C. N. McARTHUR
Former Congressman C. N. McArthur of Oregon has announced his intention of running for the United States senate on an anti-Ku Klux Klan platform at the Oregon primaries next year.

All the other potential candidates except McArthur, a Protestant defeated by the Klan for re-election to congress last year, are angling for the invisible empire's support.

McArthur, a Republican, was first elected to represent the third Oregon district in the lower house in the fall of 1914. He was regularly re-nominated and re-elected until last year, when his opposition to the Ku Klux Klan brought about his defeat.

Before going to congress, McArthur had been speaker of the Oregon house of representatives. He had also served as secretary to Governor Frank W. Benson.

Although McArthur studied for the bar at the University of Oregon and still maintains an interest in that profession, he is better known for his extensive farming and cattle breeding interests. He is an Episcopalian and a thirty-second degree Mason.

It was a miserable night and the motorist was suffering from the misfortune of a broken down car. Making his way on foot to a solitary light in the distance, which turned out to be a small farm, he announced his arrival by leaning over the fence and shouting, "Hello! Hello!"

The bedroom window was thrust open and a surly voice ejaculated, "Naa, then?" "Can I stay here for the night?" said the motorist.

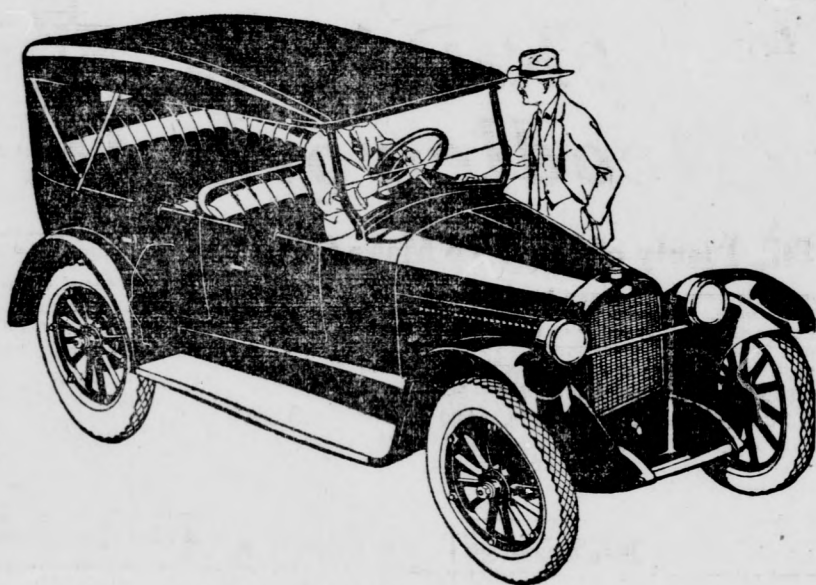

"Ay, an'

NAMES ANNOUNCED SATURDAY

There Is Still Time for You to Enter

And have your name published in the first announcement. This is entry week and those who enter this week will stand the best chance of winning the Grand Capital Prizes. Bear in mind it costs nothing to enter and you are sure to win for, if you do not win one of the prizes, you will be paid a cash commission for every dollar you turn in, provided you bring or send in at least two subscriptions each week after you enter. Don't delay any longer but enter today. Right now. All entries received up to Friday afternoon will be published in the paper Saturday. The complete standing of club members will be published the following week.

THIRD GRAND PRIZE

NASH FOUR TOURING CAR

bought of and on display at the show rooms of the Nash Sales Company Inc., 112 South Maryland.

GRAND CAPITAL PRIZE

\$2250 Building Lot

Located in Montecito Park

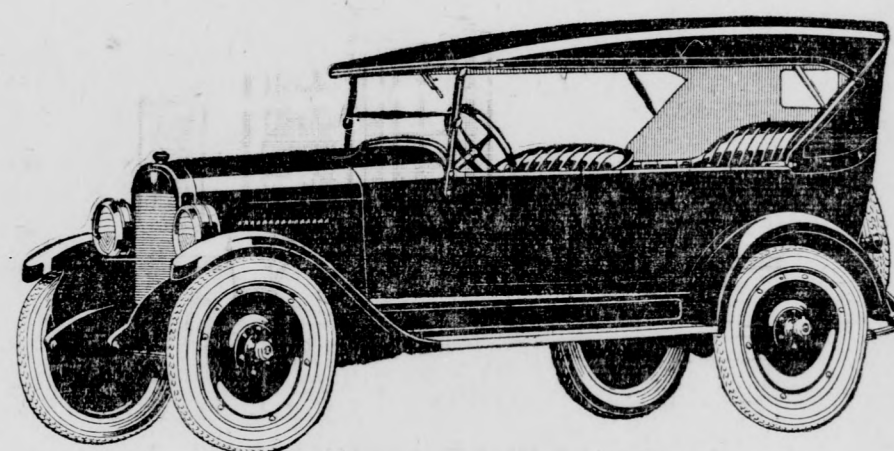

in Sparr Heights

This lot will have cement walks, curbs, ornamental street lights, water, gas and electricity, sewer mains and laterals and a concrete street.

The lot is located on Castera drive one block east of Verdugo road.

The winner of this lot will be congratulated as this lot is bound to be worth more money within a very short time.

FOURTH GRAND PRIZE

MAXWELL TOURING CAR

bought of and on display at the show rooms of the Glendale Motor Car Company, 124 West Colorado.

FIRST DISTRICT PRIZE 2 GULBRANSEN PIANOS

Bought of and on display at the show rooms of the Glendale Music Co., 109 North Brand Blvd.

SECOND GRAND PRIZE \$1500 Building Lot IN Oakmont Heights

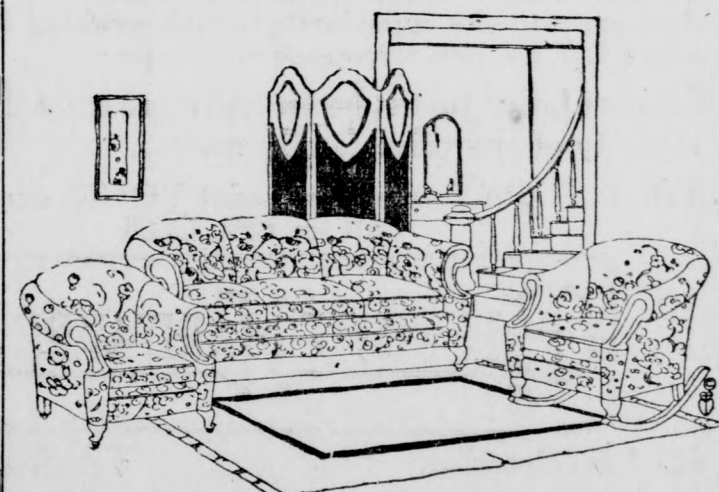

Glendale's Newest Quality Subdivision

Purchased from Oakmont Heights Syndicate

REX BEACH'S

Great Drama of Love and Courage

"THE SPOILERS"

Featuring

MILTON SILLS AND ANNA Q. NILSSON

A Photoplay Classic

—of the most romantic story in American history. When the cry of Gold sent a tremor through the world, in that first venturesome company which trekked to the frozen Alaskan field were men of iron and women of strange and reckless beauty. Their story of romance and courage has been woven into a photoplay of power and fascination that leaps from the silversheet like a living, fighting, breathing thing.

AT THE ORGAN—STANLEY BENTLEY

Talented Actresses in 'Mrs. Wiggs' Cast

Two pioneer Glendadians will take part in "Mrs. Wiggs of the Cabbage Patch," to be given by the Community Players on November 2 and 3, under direction of Mrs. Nanno Woods. They are Mrs. Adeline Wheeler Bradley, playing Mrs. Wiggs herself, and Mrs. Fannie Stockbridge, in the role of Miss Hazy, and they have called this city home since there was nothing here but one store and the Salt Lake track.

Both have done much professional work. Fannie Stockbridge played Miss Hazy throughout the east and in Morosco's Los Angeles stock company. Adeline Wheeler Bradley, a graduate of the Cumnock School of Expression, did much public reading in and around Los Angeles, prior to her marriage to Leonard W. Bradley.

That the local presentation of this famous play is keenly anticipated is attested by the fact that visitors from San Diego, Redlands, Santa Monica, Long Beach, Hollywood and Los Angeles have signified their intention of attending, states Mrs. Woods.

Moros of the Philippines are skilled in weaving of rich embroidery, in wood carving and work in gold, silver and brass.

BURBANK

ENROLLMENT OF STUDENTS GROWS

Huge Increase in Students
Faces Accommodations
Of School System

Burbank's school enrollment continues to swell, with ninety-three new pupils in the last month. The total enrollment is now 1,527, as compared with last year's average daily attendance of 993.

"I rate the Burbank school system as one of the best in Los Angeles county," states W. A. Lowe, assistant county superintendent.

"It is a matter of intense pride to the local Board of Education to have a system that elicits such comment," says L. F. Collins, school superintendent. "Burbank is truly rich in its children, and children are an accurate index of the city's growth."

"We aim to make every child welcome, no matter how overcrowded we may find ourselves. The two basement rooms in the Luther Burbank school are now filled, about three weeks ago another basement room in the Thomas A. Edison school was drafted into service, and now the cafeteria room is to be utilized. Already the use of this room for restaurant purposes has been discontinued and presently the food counters, ranges and other equipment will go into storage and the room will be made ready to receive the ever-increasing overflow of children. We admit we have a problem, but we are facing it squarely."

That is the spirit characterizing teachers, principals and school board. Everyone in Burbank is determined to meet the educational problem cheerfully and solve it.

Burbank's Famed Judge
Police Judge A. A. Crawford goes to sleep in fear and trembling these nights, never knowing what new fame may overtake him before morning. Last week his photo appeared on the front page of a Los Angeles newspaper, sandwiched in between snaps of Mary Garden, famous singer, and Secretary Mellon of the U. S. treasury. Under the judge's picture was the caption: "Terror to Speeders and Bootleggers." The story then went on to say that what Justice Cox is to Santa Ana, Judge Crawford is to Burbank.

Judge Crawford wants to know where the enterprising photographer obtained his photo, as he claims he never posed for one with speeders. Evidently the camera man snuk up on the judge unaware, while the latter was meditating what time to assess the next poor, hard-drinking bootlegger.

VALLEY NEWS

NEED OF WATER TOPIC AT MEET

Fruit Growers' Institute Is
Well Attended by
Orchardists

The problem of an adequate water supply for present and future San Fernando valley needs drew a barrage of oratorical fire from yesterday afternoon's speakers before the Fruit Growers' institute, held at the Women's clubhouse, Van Nuys, under joint auspices of the Deciduous Fruit Growers' department of the Farm Bureau and the Agricultural Extension service.

Perhaps the outstanding speech of the afternoon session was delivered by L. C. Holmes, assistant farm adviser for Los Angeles county, who chose for his topic "Irrigation Suggestions," telling the institute first how they might conserve what water they now have and second how they might go about it to develop more.

The morning session's outstanding address came from John C. Hayes, chairman of the Deciduous Fruit Growers' department, and had to do with the many accomplishments of this department during the past year. Following is the program in detail:

Morning Speakers

"What the Deciduous Fruit Growers' Department Has Accomplished During the Past Year," John C. Hayes, chairman Deciduous Fruit Growers' department.

"Staying on the Job," W. S. Rosencrans, secretary, Los Angeles County Farm Bureau.

"Analysis of the 1923 Fruit Crop—What It Teaches," Vincent F. Blanchard, assistant farm adviser, Los Angeles county.

"Where We Stand on the Pruning Question," Prof. Geo. P. Welton, Chaffey Junior College of Agriculture.

Afternoon Speakers

"Marketing California Deciduous Fruits—The Next Step Ahead,"

"Some Relative Values," Robt. W. Hodgson, farm adviser, Los Angeles county.

EAGLE ROCK.

\$65,000 BUILDING PROJECT STARTS

Structure to House Bank
And Stores, Apartments,
And Offices Above

One of the largest building projects of the year is now under way, a two-story bank, store, office and apartment building at the corner of Central avenue and Myrtle street.

James Perdon, the builder, has awarded the contract, in the sum of \$65,000, to J. B. Brown & Co. of 117 South Central avenue. The structure will house the Eagle Rock State bank and offer for lease three stores on the main floor, with eight office suites and five apartments above. Plans were drawn by E. B. B. Memardus.

Commenting on his confidence in the future of Eagle Rock, Mr. Perdon states: "Such expansion has been shown in the business section here during the past few months that this community is now definitely anchored to progress by substantial construction."

"Building permits so far in 1923 total more than for the entire year of 1922. The area combined, and several hundred new residences are among the new construction, making an added population of at least 1,000 from which the business section may draw."

"With annexation, Eagle Rock passed into the beginning of a new and greater era. In many ways confidence of capital was won by the move. Zones were established, fire and police protection were greatly improved. I prophesy the erection of several other large business blocks in this community in the months just ahead."

Men Aid in Clean-up
The committee of the Women's Twentieth Century club in charge of the clean-up now under way have succeeded in rallying to their standards over thirty local business men and will not rest until they have notified every resident of Eagle Rock to have all papers, cans and trash out for the collectors on November 10.

Trucks have been secured from Los Angeles to make the rounds and collect all refuse, the committee report. Owners of vacant property where there are dead trees and trash strewn about will be asked to get this near the street where it can be removed. The Boy Scouts and other local organizations are co-operating to this end.

Those appointed to supervise the various districts are: Mrs. C. W. Young, southwest end; Mrs. Sherrill B. Osborne and Miss Fanny Baily, north end; Mrs. L. M. Marshall, center section; Mrs. C. A. Kirksey, business district; Mrs. Mary A. Hickson and Mrs. M. L. Rider, northeast district; Mrs. L. M. Maynard, east end; Mrs. G. J. Hawkins, east central section, and Mrs. E. E. Hamilton, south end.

Local and Personal
Mr. and Mrs. John Stussey and J. Northrup of Beloit, Wis., have been visiting P. E. Frindle of 838 Rock Glen avenue, and are delighted with Eagle Rock that they plan to make their home here.

The Oberlin endowment drive, beginning tomorrow, November 2, was prefaced with a charming garden party last Saturday on the beautiful grounds of Mrs. Gunton Wattle, 1824 Curzon street, Hollywood. A number of Eagle Rock women were present.

Mr. and Mrs. Elmer Richardson have sold their home on North Royal drive and will build again in a new location.

Mrs. E. D. Snider and Mrs. Mattie Maddox represented the Eagle Rock teaching staff at the state convention in Riverside, recently ended.

Pro-Japanese Branded by Hankow Chinese

SHANGHAI, Nov. 1.—According to advices from Hankow today, anti-Japanese radicals there, in addition to seizing Japanese cargoes and imposing heavy fines on merchants dealing in Japanese wares, are now making a general practice of branding all Chinese found in possession of Japanese wares on the face with corrosive ink. Three characters are burned, meaning "Slave of a pariah nation." The ink mutilates for life. The boycott has been wiped out elsewhere.

Angelo county. "A Suggested Plan," J. E. Bergholdt, The Silva-Bergholdt Nursery Co., Newcastle.

"Irrigation Suggestions," L. C. Holmes, assistant farm adviser, Los Angeles county.

"The San Fernando Valley Water Problem," discussion led by Mark Grimes and R. L. Owens of Van Nuys and S. Erle Goodall of Oceanside.

The meeting closed with a report of the resolutions committee advocating more conservation as well as a program of development of adequate water supply.

Realtors' Meeting Called for Nov. 7

(Continued From Page 1)
tention of the board during the greater part of their meeting, among those that were adopted being the change of the date of the annual meeting from November 3 to the date of the first regular meeting in November of each year; provision for the payment of dues quarterly, if desired, by members; changing the designation of "office secretary" to "executive secretary"; to suspend from membership in the governing committee any member who is absent from three consecutive meetings without good cause; the addition of the last three living past presidents to the governing committee as honorary members; and a change in the provision governing the payment of the salary of the executive secretary.

Barbour Praises Board
Henry P. Barbour of Long Beach, the president of the California Real Estate association, sent a letter to the board, commending the share Glendale took in the recent convention at Sacramento.

James W. Pearson reported on the procedure to be followed by realtors in securing the bond demanded under the provisions of the law now in effect.

A committee will be appointed to investigate a request that the Glendale Realty Board enter an exhibit at the Arcadia Annual Exposition that is to be held at Arcadia from November 27 to December 1.

Cow hair is used in considerable quantities by plasterers to bind the plaster put on the inside walls of houses.
